

Park Hill School District Part-Time Online Course Enrollment Form

This form is to be used for the enrollment of students who have been approved by the Park Hill School District to take courses virtually. Online courses should be selected and approved based on grade-level or graduation requirements. Schedules will be approved by both the student's guardian and the resident school prior to enrollment.

The district's preferred online providers are Edgenuity and Launch. Alternate providers may be requested through the Missouri Course Access Program (MOCAP), if needed.
