SUMMER READING 2025 "Color Our World"

Registration for our Summer Reading Program begins on Saturday, June 23, 2025

The Swedesboro Library Branch would like to welcome your children to this year's Summer Reading Program, "Color Our World". The program runs from June 23 – August 2, 2025.

We are excited to work with you in promoting the importance of reading to your children and making reading a family event. Join us for a fun-packed summer. There are some exciting craft activities and special programs planned; and great prizes will be given for reading!

Your children can participate in Summer Reading in two ways: by reading books and logging them in and/or attending library programs.

Prizes will still be given for the most books read in each age category: Toddlers (ages 1-5), children (ages 6-8), Tweens (ages 9-12), and Teens (ages 13-17).
