Thank you for your interest in doing business with La Vega ISD! We request that prospective vendors complete the attached forms and return to our Purchasing/Accounts Payable department.

We are not required to file an annual information return, 1099-MISC or 1099-NEC, for you if you are a non-medical corporation, a tax exempt organization, a governmental agency or other exempt payee (including payments made as refunds or reimbursements). However, the law requires that you provide your Taxpayer Identification Number (TIN).

You are required to provide this information under Federal Regulation Section 6109. If you fail to furnish this information, a \$50 penalty may be imposed by the IRS under section 6723; in addition, all payments we make to you could be subject to 31% backup withholding.

The Assistant Superintendent for Finance approves all purchase orders. The function of this office is to make sure procurement/purchasing for the District is in accordance with the responsibility and authority delegated by the Superintendent and the Board of Trustees in a manner consistent with the state law, Board policies, and sound business practices. Board Policy and state and federal laws mandate that all purchases made by La Vega ISD must be in compliance with bid laws.

Acquisition of all requested goods and services shall be made only by the issuance of an official numbered District purchase order, approved by the Assistant Superintendent for Finance, or designee. No purchases or commitment of school district funds may be made before vendor evaluation and approval.

In accordance with Article 6252-16 of the State of Texas statutes, the La Vega Independent School District does not discriminate against individuals or companies with respect to race, religion, color, sex, handicap, or national origin in the awarding of bids.

Sincerely,

A handwritten signature in cursive script that reads 'Jamie Shaver'.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).
