Bear Family,

We're in the heart of Advanced Placement testing, which runs through May 16th, and we wish all of our students the very best of luck! To learn more about AP courses and exams, please check out their website, <https://ap.collegeboard.org/>. This week is Teacher Appreciation Week and Nurses' Appreciation Week, and we extend our deepest gratitude to the remarkable educators and healthcare professionals who support our students every day. A special thank-you goes to our PTSA for their generous support of our teachers; it's never too late to join or contribute, so please [click here](#) to get involved. Finally, best of luck to all of our music and athletic programs as they wrap up their end-of-year concerts, performances, and playoffs!

As the weather is becoming consistently nice and we have more students riding their bikes / walking to school, I would like to review arrival / dismissal procedures to keep our students safe:

When entering the school for drop off, please pull as far up as possible. We have entrances near the auditorium, main entrance, and gym. Please do not stop at the gym entrance if there is space available in front of you.

Please note that **staff and/or student parking lots should not be used for student drop-offs or pick-ups.**

Crosswalks: If driving, please be on the lookout for students and staff near the established crosswalks around the campus, especially in the drop-off lane. All vehicles should stop if there is someone waiting to cross.

Speed Limit: The speed limit on campus is **15 mph**.

If your child is riding their bike to school, we ask that you encourage them to wear a helmet.

We understand that mornings are a very busy and sometimes hectic time. Thank you for your attention to these procedures and for your ongoing support of our staff and students.

Have a great day and as always.... Go Bears!
