CENTRAL JAGUARS BASKETBALL FUNDAMENTALS CAMP

ABOUT THE CAMP

PURPOSE

The Central Jaguars Basketball Fundamentals Camp will teach the fundamental basketball skills necessary for players to reach their full potential and become a successful basketball player at Andover Central and beyond. The camp will be an opportunity for the coaching staff to build relationships with the new and returning campers. Camp will allow them to become better players, better teammates, and help stimulate their enthusiasm for the game of basketball.

PROGRAM

Our camp is tailored to help each camper at his particular skill level. Through personal instruction, team drills, and competitive games, we aim to improve the skills of each young athlete and give them a greater appreciation for not only basketball, but being an Andover Central Jaguar.
