

# Redfield Pheasants Boys Basketball Camp

## What?

Pheasant Basketball Camp is designed to develop the individual skills of each camper in a fun, competitive, and positive environment. Throughout the camp, players will participate in a variety of drills focused on both individual fundamentals and team development. Campers will work on shooting, ball handling, passing, defense, and game situations. In addition to skill work, we place a strong emphasis on sportsmanship, effort, and teamwork—values that are essential both on and off the court. Whether you're a beginner or an experienced player, this camp will help take your game to the next level.
