## EMELY CORTEZ MOTA

***Emely shines not only as a remarkable student artist but also as a beacon of support for her peers. She transcends expectations, stepping in to assist fellow classmates whenever I am unable to reach everyone. Her presence is akin to having an extraordinary teaching assistant, offered selflessly and without request. Always willing to extend a helping hand, she embodies the spirit of collaboration. Truly, she is a rock star!***

***Nominated by: Ms. Bedrossian, CTE Teacher and Visual Arts Lead***
