C. COMMUNICATION FROM THE PUBLIC (AGENDA ITEMS ONLY)

School boards are required to set aside a portion of every meeting for public comments. School boards use the public comment period as an opportunity to listen to community concerns - not to debate issues or enter into a question-and-answer session. School boards are not required to respond to questions but may choose to respond to public comments by seeking additional information or delegating authority to the superintendent or a designee to investigate an issue brought forth during public comment.

While public education can be an emotional issue, the school board strives to maintain a certain level of decorum at its meeting. As such, all persons speaking during the public comment ·period should maintain a tone of respect and civility. Courteous behavior is extremely important by all members and attendees.

To allow all speakers to address their comments to the board, it may be necessary for the board and/or administration to hold any responses until after the conclusion of the public comment period; rather than respond to individual speakers. The board cannot recognize proxies, nor will the board tolerate persons that call out, shout down or disrupt others in attendance during public comment; any person who cannot abide by this will be asked to leave.

The Stafford Township Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest, especially when it is intended to assist the Board of Education.

Please feel free to speak to the Board during the public session. Pursuant to Board Policy 0167, comments and discussion will be limited to one three (3) minute period per individual unless requested by the chairperson to continue on a point of clarification.

Public comment at special meetings of the Board shall be related to the call of the meeting. In accordance with the Board of Education Policy, each participant must be recognized by the presiding officer and must preface their comments by an announcement of their name, address and group affiliation, if applicable.

Your anticipated courtesy to the members of the public and the Board is appreciated.
