

# The Falcon Flyer

March 31, - April 4, 2025

*Mrs. Alexis' class is hard at work this morning, learning their letter sounds and celebrated completing TCAP-ALT!*

*MNES celebrated student achievements at our awards program! A huge thank you to Food Rite, Subway, Gibson Electric, Sonic, Regions, Farm Bureau, and Cadence for their generous support in making this event special for our students.*

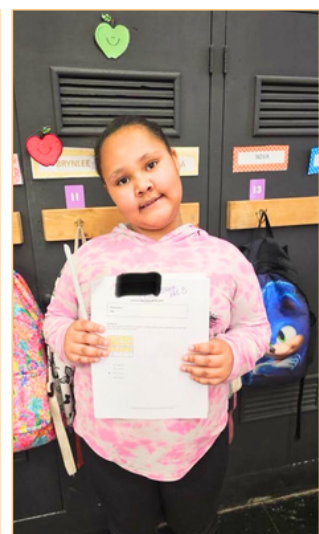

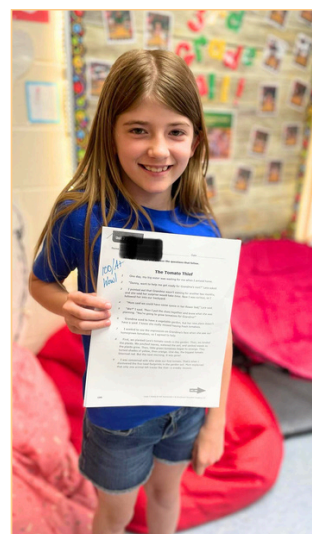

*House Nukumori came together for an evening of fellowship, strengthening their bonds and building a deeper sense of community. Bright smiles are shining a light on autism, spreading warmth, awareness, and support!*

*We love recognizing perfect scores!*

*perfect*

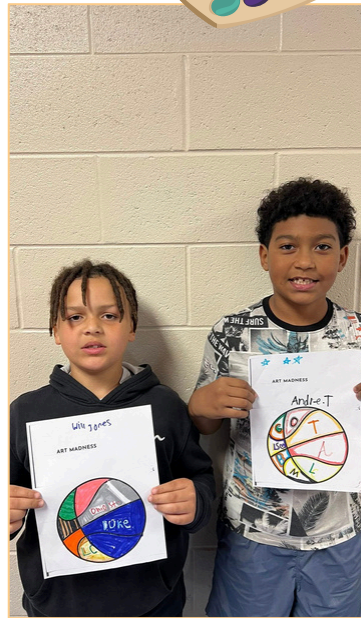

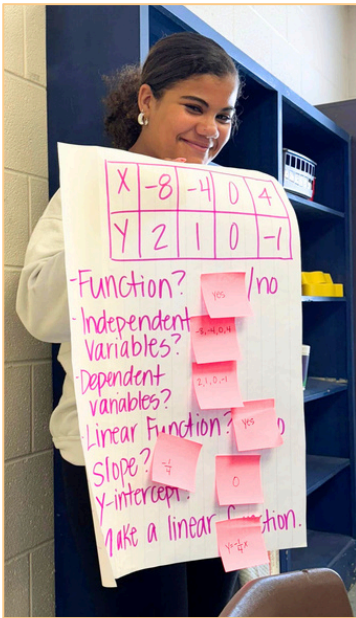

### Third grade Literacy League Leaders

Ms. Darcey's 8th-grade math students are collaborating to analyze and interpret linear functions, Mrs. Ana's 1K students explored the history of March Madness and put their own creative twist on it with "Art Madness."

$$x = \frac{-b \pm \sqrt{b^2 - 4ac}}{2a}$$

it with "Art Madness."

Welding students are looking sharp and ready to work in their new protective gear!

### MNES Students of the Month

JAG students had an inspiring tour of Dyersburg State, exploring new opportunities for their future!

Senior Reward Trip: A fun-filled day of bowling and an exciting campus tour of Murray State University! Ms. Kim's kindergarten students are working hard to master spelling as they build their early literacy skills!
