A native of Troy with deep family ties in Tiptonville, Dr. Crockett grew up fishing at Reelfoot Lake and cherishing small-town values, experiences that shaped his heart for community and education. With 26 years in education, Dr. Crockett has served as a teacher, coach, Athletic Director, and Assistant Principal in Tennessee, Florida, the Dominican Republic, and Peru. He looks forward to building strong relationships with students, families, and staff, and is genuinely excited to help Lara Kendall Elementary thrive.
