

The Falcon Flyer

April 28-May 2, 2025

Principals' Day was celebrated this week! Thank you for being the guiding light and strong foundation of our schools. K is for Kindness! MNES students celebrated by writing heartfelt letters of gratitude to our amazing faculty and staff.

Our kindergarten and second-grade students have been hard at work, exploring the weather and practicing their persuasive writing skills!

The middle school celebrated its top readers with a sweet treat at the Literacy League (AR) reward party!!

Our 4th graders are diving into the Engineering Design Process through hands-on STEM projects! A big thank you to Food Rite for donating chips to MNES.

LK SWAG Primetime Bowling field trip

Last Friday, our cafeteria served up local, grass-fed, all-natural beef burgers and hot dogs, grilled to perfection by the culinary class!

Our students worked hard all year, and last Friday they celebrated the end of testing with lots of smiles and fun!

N is for nachos! A big thank you to the Dyersburg Civitan Club for treating Ms. Alexis's class to a fun-filled pizza party! LCHS math students put their skills to the test by calculating how much mulch is needed for the flower beds in front of the school.

Great things are happening!

MNES Book Fair fun

Big shoutout to our LCMS students for confidently leading the morning announcements. Hats off to our talented third graders who aced their U.S. Map Test.

We loved seeing our school shine bright in yellow in a show of support of LCHS student, A'lee. It was a powerful reminder of the love and strength in our community!

Thank you to our families that came to play Multiplication Bingo with their fifth grader! We loved seeing you!
