

The Falcon Flyer

May 5-9, 2025

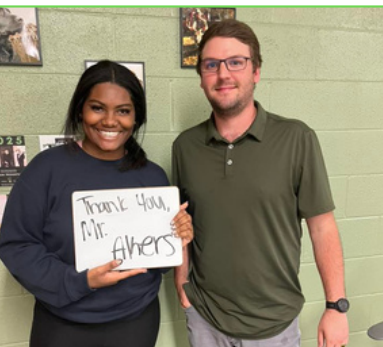

We are proud to announce that LCHS has once again received the prestigious Anne Dallas Dudley Award for achieving 100% voter registration among eligible students! This marks our fourth consecutive year earning this honor, a distinction shared by only five schools in the entire state!

To wrap up their unit on the engineering design process, our 4th graders are putting their creativity and problem-solving skills to the test by building their very own cardboard roller coasters! This week, we proudly celebrated several students for achieving perfect scores. A night to remember, LCHS Prom 2025.

Happy Teacher Appreciation Week! The impact you make cannot be measured in test scores or report cards. It's found in the quiet resilience of a child who keeps trying, the joy in a breakthrough moment, and the memory of someone who felt seen because of you.

LCHS FFA Chapter Banquet 2025
This student cashed in her hard-earned Falcon Points for a special lunch with Assistant Principal, Ms. Tara!

The Fellowship of Christian Athletes at LCHS hosted a special spring 'See You at the Pole' event, featuring guest speaker Pastor Jacky Goad.

Congratulations to our amazing MNES paraprofessionals for completing their School-Age Orientation training through TECTA! Congratulations to our Green and Gold Apple Award winners for this school year!

Thanks to the incredible support of our school staff, nurses and the UT Mobile Health Unit faculty and staff, 126 student-athlete physicals were completed this week. We celebrated School Nurse Day. Thank you, Crystal Prince and Tammy Ray, for the care, compassion, and calm you bring every single day.
