

Soaring Together:

Building Relationships That Reach New Heights

Strategic Priority 1

Cultivate a Thriving, Inclusive, and Safe School Community

Goal: Foster a positive culture where students, staff, and families feel valued, supported, and empowered to succeed through strong relationships, communication, collaboration, and a shared sense of purpose.

Key Performance Indicators*

- Students' sense of belonging and support
- Staff perceptions of collaboration
- Student and staff attendance
- Staff and family perceptions of communication, support, and trust
- Student, staff, and family perceptions of safety

Strategic Priority 2

Be a Future-Ready, Student-Centered, and Innovative District

Goal: Cultivate a responsive and adaptive learning environment with high academic expectations, clear and aligned curriculum, and proactive decision-making that drives long-term success.

Key Performance Indicators*

- Graduation rate (compared to benchmarks)
- Regents Performance Levels (compared to benchmarks)
- English Language Arts and Math Achievement Data (Elementary and Middle)
- Evidence of Curriculum Alignment and Consistency Across the District
- Student, staff, and family perceptions of high **academic expectations**

**Key performance indicators are the critical measures that are necessary to show that the District accomplished desired outcomes for each goal.*

Our Mission

It is the mission of the district and its community to educate every individual to be a quality contributor to society and self.

Our Vision

Provide the students of the Beekmantown Central School District with world class educational opportunities.
