Lori Nunez- Admin
Nikki Bowman- REACH
Cashaun Clark- AISD PD

Abigail Trevino called the SHAC meeting to order at 1:30. She welcomed all in attendance and discussed the agenda for the SHAC meeting. Reviewed agenda items for today's meeting.

The meeting minutes from November 19, 2024, were reviewed and approved.

Roles and Responsibilities of SHAC: Mission-Vision- Goals, review the roles and responsibilities in the slides.

Health Services:

Nurse Howard was unavailable to share about Project Adam at AIS. Nurses are planning a Fentanyl Awareness station for SHAC Night.

Counseling, Psychological & Social Services:

Alongside Zoom presentation. Scott shared an evidence-based app for their preventative mental health platform. It's geared towards adolescents to make them comfortable sharing about their problems. If they share something that's concerning, then the app prompts a counselor to reach out to the school. SHAC members will discuss further whether this app is a good fit for our district.

Nikki Bowman- Reach of Johnson County reminder about the Prom Pop-Up event in Cleburne on February 17th and 18th from 4-8 PM, in Burleson on February 20-21 from 4-8 PM, and new this year is the Waxahachie location on February 24-25 from 4-8 PM.

If you're available to volunteer, please let Nikki know. Also, please share the survey with scholars again, like in years past.

Chief Clark- AISD is partnering with Cook Children's for Fentanyl Awareness week March 3rd-7th. The High School has now provided Narcan doses for all emergency backpacks. We are working on equipping the JH with the same resources.

Nutritional Services:

Abigail Trevino- National School Breakfast Week will be March 3rd-7th. There will be new breakfast items to try at each campus. The child nutrition department is still trying to get families to complete the Free/Reduced lunch forms.

Parent/Community Involvement:

Lori Nunez- SHAC night planning, April 17th. Discussed final recommendations for SHAC night. Non-negotiables are bounce houses, food, and games. Pair up to discuss what activities and vendors we can plan for at the event.

Physical Education:

Coach Sanchez- AES just finished the American Heart Association fundraiser, raising over \$6,000. Scholars get to slime coach, or their teachers for participating. All PE coaches are asking for ideas to raise funds for new PE equipment. A lot of their stuff is old and worn out.

Meeting End at 2:30 PM

All SHAC members were thanked for coming to the meeting and participating. The next SHAC meeting is scheduled for May 6, 2025 at 1:30pm in the AISD Boardroom.
