Re: Participation in RIC Bids with Non-General Fund Dollars

The Mohawk Regional Information Center helps school districts purchase hardware and software to complement school technology plans, regardless of the source of funding or the source of state aid. Additionally, the MORIC provides installation and support services to school districts to ensure consistency with existing technology, follow-through on the function of the equipment, and on-going support and accountability.

When these purchases are made with building aid funds, hardware aid funds, and/or grant funds instead of general funds, they do not qualify for BOCES aid and the district retains ownership of the items purchased. "BOCES" should not be listed as a vendor on Final Cost Reports for building projects.

If you wish to purchase from the MORIC regional bids for technology and software using non-general fund dollars, you may do so by having the Board of Education approve the attached Cooperative Bidding Resolution. Next, your assigned Mohawk Regional Information Center Technology Planning Specialist will assist you in the development of a proposal, the initiation of the purchase, and the coordination of the installation and subsequent support. In order to ensure that such purchases that are processed by MORIC do not generate BOCES aid you must identify those items to your Planning Specialist and your local BOCES.

Building aidable or grant funded equipment installed by the Mohawk Regional Information Center will have a "RIC Installed" tag on the equipment. The equipment is owned and insured by the district and not the Mohawk Regional Information Center because the district used grant and/or building project monies. However, the equipment is connected to district networks and other equipment made available through BOCES aidable CoSers.

If you wish to participate in the regional technology bid with non-general fund dollars, please send the attached yearly Cooperative Bid Resolution to Heather Mahoney, Executive Director of the Mohawk Regional Information Center, by June 20, 2025.

Cooperative Bidding Resolution

WHEREAS, it is the plan of a number of PUBLIC-SCHOOL DISTRICTS and the MADISON-ONEIDA BOCES (the "BOCES") during the 2025-2026 school year to bid jointly for the purchase of various types of computers and technology commodities (the "Commodities"); and

WHEREAS, the _____ School District ("the School District") is desirous of participating in the joint bidding of the Commodities, as authorized by General Municipal Law, Article 5-G; and

WHEREAS, this Board of Education has received and reviewed the Cooperative Bid Procedures ("the Procedures") governing its right and responsibilities should it elect to participate in the joint bidding of commodities; and

BE IT FURTHER RESOLVED, that in accordance with Cooperative Bid Procedures the Board of Education agrees to award bid purchase item purchases according to the recommendation of the BOCES if such award is in the best interest of the school district.
