CHARACTER TRAIT
CREATIVITY

Character Strong

Review Creativity as a family. Creativity is using your imagination to create something new or solve a problem. This challenge is about creating something new - together! Find a large cardboard box and unleash your Creativity as you work together to create something totally new. What can the box become? Perhaps it will be a spaceship, an ice cream shop, a fairy castle, or a race car. Use any craft supplies or scraps on hand and your imagination to turn an ordinary box into a new creation!
