| Project: | Ramirez CISD Water Supply Well | Bidders |
| Project No.: | B25-04 | |
| Addendum No.: | One (1) | |

Notice to All Bidders

This Addendum forms a part of the Contract Documents and modifies the original Specifications and Drawings, issued February 2025, to the extent noted hereinafter.

All parties of interest shall take careful note of this Addendum so that proper allowance is made in all computations, estimates and contracts and so that all trades affected are fully advised in the performance of work that will be required by them. This Addendum supersedes all previous Drawings, Specifications, and instructions pertaining to these items.

Clarifications to contractor questions:

1. BID DATE: **EXTENDED** from 5/09/2025 to **5/23/2025, 3:00 PM.**

Authorized Signature

Date

Printed Name

Company Name

Complete information above and return via e-mail to: jnbengineering@gmail.com, and it is required for you to submit a Copy of the Addendum with your bid submittal !!
