Let's Make Jewelry! Saturday's Child's Jewelry class is an engaging, hands-on workshop that goes far beyond basic beading. You'll explore a wide range of creative techniques—like wire wrapping and metal stamping—while working with materials such as gemstones, metals, and crystals. Learn how to design and craft unique bracelets, necklaces, and earrings that express your individual style. By the end of the class, you'll walk away with your own custom-made pieces and the confidence to keep creating on your own. Students must bring a bagged lunch from home. Students must be picked up by an adult 18 years or older—no transportation.
