

EAGLE NEWS

Anderson Island Elementary

April 29, 2025

Good afternoon Eagle Families,

It's hard to believe, but we're heading into our final full month of the school year! As we look ahead to the last stretch, I want to take a moment to recognize how proud I am of our students. They've been showing up each day ready to learn, giving their best effort, and continuing to grow in incredible ways.

A quick reminder for families: i-Ready will remain available for student use throughout the summer until August 19, 2025, just before our system rolls over for the 2025–2026 school year. This is a great way to keep skills sharp and maintain momentum over the break.

Enjoy the sunshine this weekend, get some rest, and keep those reading habits going strong. We'll see you all next week!

News from the Classroom

It's hard to follow Zoo week, but we had a great week of inventing. We finished up our SCAMPER projects and typed out the reports. I can't wait for everyone to see their amazing inventions! Please join us next Friday, May 9th at 5pm in the Multipurpose Room for an evening of inventions and presentations. This week we also concluded our study of Hellen Keller and Louis Braille. After reading about both, we discussed the obstacles that they overcame and how they helped others with disabilities. Next week, we'll take a break from a book study and focus on writing opinion papers. I can't wait! We finished the week with a great music lesson, nature walk on the beautiful trails behind the school, and a lesson about artifacts. Also, I just received the good news that your student will have access to their i-Ready account during the summer until August 19th. This access includes reading and math lessons and is a great way to continue learning at home. I will send home usernames and passwords at the end of the school year. Enjoy the weekend and see you on Monday:)
