

EAGLE NEWS

Anderson Island Elementary

May 9, 2025

Last week, we had an excellent and unexpected learning opportunity. Williamette Cultural Resources Associates, Ltd., checked our school grounds for cultural artifacts in preparation for the new track, which the Anderson Island Parks & Recreation is providing through a grant. It was a fantastic opportunity to learn about archaeologists and what they do. They were so kind to share their knowledge with us. Yesterday, we did our own dig and found shells and other artifacts that we recorded in our journals.

5/13 & 14 3rd Grade SBA testing
5/20 & 21 3rd Grade SBA Testing
5/23 Snow Day-No School
5/26 No School
5/27 Low Tide Fieldtrip
6/12 End of Year Celebration 5 p.m.
6/13 Field Day Half Day 11:30 Dismissal

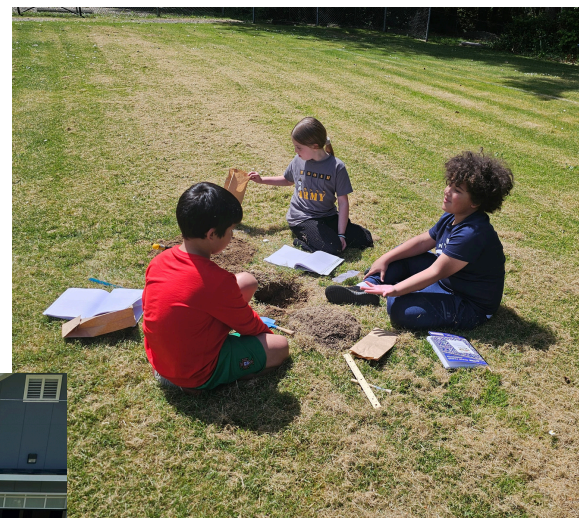

News from the Classroom

SCAMPER inventions and reports are done and ready for everyone to see on Friday night at 5 p.m. I'm incredibly proud of their dedication and perseverance. Solving new problems is not easy, but they did it! Please make sure to join us at school this Friday, May 9, at 5 p.m. All inventions and invention boards will be taken home with the students at the end of the event.

We also took the last i-Ready Growth Monitoring assessment for Reading and Math this week. Before the end of the school year, we will take the final Reading and Math diagnostic test, and I will send the results home to you. Then we finished the week with our own "archaeology dig" and nature walk.

Have a wonderful weekend!

See you Monday:)
