

MM April HIGHLIGHTS

Mountain Meadows

MAY 8, 2025

Hello MM Families!

April was an exciting, eventful month! Please enjoy the highlights of learning, events, and activities at Mountain Meadows!

The Sound of Science

All students learned about sound during the **Sound of Science assembly** on the first day of STEM Week. Thank you to PTA for bringing this presentation to MM!

Math Day

During STEM Week, all students participated in Math Day with interactive games and logic puzzles. All the activities left them wanting more MATH!

Robotics

For the Friday "Surprise" at the end of STEM Week, students from the Engineering Dept. at Moorpark College visited MM and provided our students with a hands on robotics experience.

MM students took turns driving and controlling the robots. The college students were fantastic teachers and engaged our young learners.

Check out another video [HERE](#).

Fighting For Independence!

Fifth graders have been learning about the historical events that led up to the Revolutionary War. They continue to rebel against King George and his Sheriff...

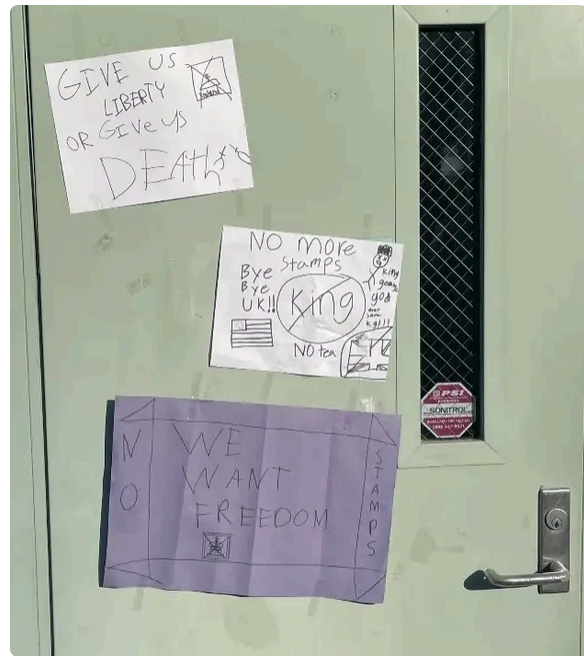

Patriots led protests during recess, with their signs posted around campus. "Rotten fruit" was thrown at the treasonists.

Playground Protests

The "Sheriff's" office door

Butterfly Garden

This Spring, the Mountain Meadows garden has been home to countless caterpillars, their chrysalises, and now Monarch butterflies.

Students have observed the complete metamorphosis of the Monarch butterfly each day in our own school garden.

Congratulations Mathletes!

On Saturday, April 25, representing Mountain Meadows, eight of our students (four 4th and four 5th graders) competed in the Ventura County Mathlete Challenge along with student competitors from 30 other schools across the county.

And the Winners Are...

Our Mustangs won 4th place out of 31 schools! Additionally, both our 4th graders and our 5th graders won 6th place in the Team Challenge for their grade level! Congratulations to the MM Mathletes and their wonderful Coach, Mrs. Sotelo!

Community Engagement

Cereal Drive

MM Student Council led all student and staff in a school-wide Cereal Drive to help others. Thank you to Student Council members and to 5th grade Teacher, Ms. Sheller for leading Student Council!

Through our community's generosity, 381 boxes of cereal were donated to Moorpark Pantry Plus. Thank you to All who participated!

Senior Admiration Day

As an educator, there are few better moments in our careers than when a former student comes back to visit their teacher.

Thank you, MM Teachers, for the incredible impact you have made and continue to make each day on so many others and Congratulations to the Class of 2025!

Mountain Meadows Open House 4/24/25

Spring Concert

Open House began with TK-5th Graders performing the Spring Music Festival. They all did a FANTASTIC show and it was so nice to have the whole school community gathered together.

Thank you to our Music Teacher, Mrs. Leininger! And thank you to all families who attended Open House. It was great to celebrate all the kids with you!

Art Showcase

Thanks to PTA, our students have participated in Art assemblies with Art Trek since January and each student had one of their projects displayed at Open House. Great job, Mustangs!

STEAM Lab Tour

Students showed their grown-ups what they have been learning in the STEAM Lab, including coding with Dashbots and Ozobots!

Thank you to all who support the MM PTA and the fundraising efforts! Your generosity of time and resources directly fund Art, the STEAM Lab, PE and so much more!

Awards Assemblies (April Students of the Month, 5th Grade Honor Roll for Trimester 2 and Run Club!)

-

Important Updates/ Reminders

The school calendar is now live on the Mountain Meadows website. Please click [HERE](#) to view. Thank you, Mrs. Dingbaum, for updating our school website!

Students are doing an excellent job with the new Food Waste Recycling program at MM!

Sept. 6, 2025 is the Annual Constitution Day at the Ronald Reagan Library. Please click on the flyer link below for how your child(ren) can enter the Student Art Contest.

Constitution Day Flyer

Thank you for driving slowly and safely in the school parking lot and the surrounding streets. During Drop-off, please wait in the Valet Zone line of cars and pull all the way forward to the black iron fence next to the valet gate before your child(ren) to exit the car.

Please do not drive or park in the bus loop when dropping off or picking up TK/K students.

Though we adore our furry friends, there are no dogs allowed on the campus property, including in the parking lot and walkways outside of the MM gates.

Thank you for your cooperation and support!

Contact Information
