

## Dear Parents and Guardians of CIMS 7th graders,

**Welcome!** Your student will be checking out 6 of these 7 books at the beginning of the school year. They will visit the library with their English teacher to get all of their books.

\* If they have Honors math, they will receive the Go Math 7 Accelerated book.

\*History/ Social Studies is the only hardcover textbook that they will need to return at the end of the school year. They are responsible for the exact copy that was checked out to them. They will be responsible for any damages or loss. I recommend a post-it note with their name attached to the inside front cover of all their books asap so that their books do not get mixed up with someone else's.

\*The other books are consumables. Although these are their textbooks, they can be written in. These do not need to be returned unless they leave the district. If they transfer to another school within our district, they will take them to their new school.

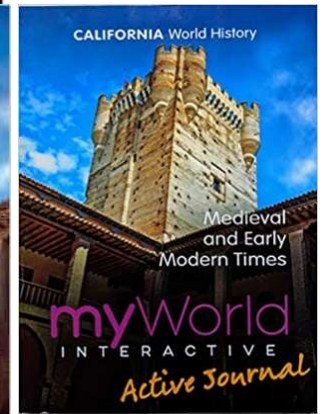

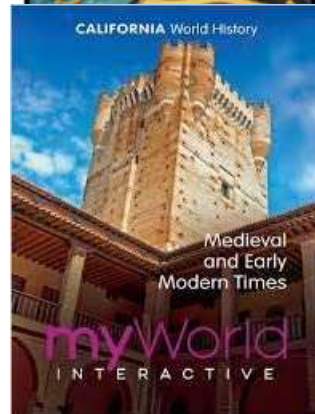

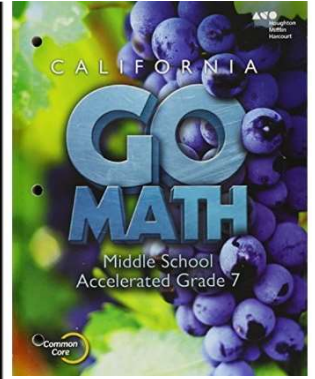

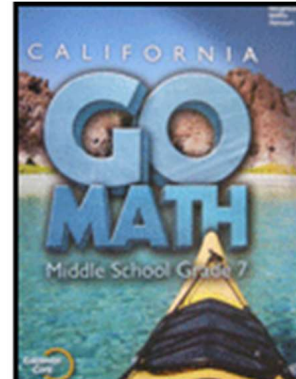

\*Students will be receiving 9 science booklets throughout the school year with their science teacher.

The library is open from 8am-4pm. Students may spend time in the library before school, during lunch and after school. They may also come in during class with a pass. More information about our library can be found on the library navigation tab on our school website. Our library selection and accounts can be accessed there. I can be reached at (760) 955-2437 X45125

Sincerely,

April Mayoros
