November 19, 2021

Dear Green Hills Community,

It's hard to believe that Thanksgiving is less than a week away. Our students and staff continue to work hard, making this a great year of learning! I want to thank everyone for making the first half of November wonderful. The Veterans Day Program was a tremendous success, and the communication between parents and teachers during conference week reinforced the strength of our school community. At the November Board of Education meeting we recognized our Green and Gold Award recipients, the fantastic season of our Mustang Field Hockey Team, and our award winners through the New Jersey Herald "What's My Anti-Drug" poster contest. I'm looking forward to highlighting more student success next month!

There is a lot to look forward to in the coming weeks before Winter Break. Our students will have the opportunity to "Book Shop" at our first ever Green Hills Book Swap. Details have been sent home and are available in the Digital Backpack on our school website. On the heels of our successful in person Veterans Day Program we will be having a Winter Concert! The concert will be held on the morning of December 21st, beginning at 9:00 am. A formal invitation will be sent out after the Thanksgiving weekend.

Our school continues to make student wellness and mental health a primary focus. Please use the following link, that will also be emailed separately, to complete the Parent/Guardian Survey on Mental Health. The survey is completely anonymous and will assist our school in our plans to support our students socially and emotionally.

Finally, I hope everyone has a restful and joyous Thanksgiving next week. While there are no travel restrictions in place, please continue to be mindful of COVID-19 and take precautions to keep yourself and our community safe. There is so much to be thankful for, including the dedication of our staff, students and families, ensuring that Green Hills School continues to be a wonderful place for students to thrive.

Sincerely,

Jon Paul Bollette
Principal/Coordinator of Instruction
