Dear Green Hills Families,

Happy November! Our students and staff have done tremendous things during the first two months of the school year. I want to take a moment to congratulate all of our students who were recognized with Green and Gold certificates for Respect. They truly are students who treat people with respect and give attention and care for those around them. The character of our students is what makes Green Hills a great place to learn and I'm looking forward to recognizing more Mustangs at the end of this month for demonstrating Responsibility.

Please remember that Thursday and Friday of this week school is closed for the NJEA Teacher Convention. Also, next week there are early dismissal days on Wednesday, Thursday and Friday for parent/teacher conferences. Realtime is open for parents to schedule conferences with teachers until Tuesday, November 9th. For anyone who would like to meet with Mrs. Wolfe, or any of the interventionists, please schedule via email with that teacher.

November is going to be a wonderful continuation of great things at GHS. We especially look forward to honoring our Veterans on November 9th with our annual celebration! It is a Green Hills tradition that embodies everything that makes our school special.

I sincerely hope that everyone in our community is well. I continue to give thanks to you all for your support of school, staff and students.

Sincerely,

Jon Paul Bollette
