October 5, 2021

Dear 7th Grade Parents/Guardians,

The Camp Mason day trip is rapidly approaching and our science teachers have done incredible work bringing this experience back for our students at Green Hills! Recently, payment information was distributed to each child with details about what was owed to cover the \$50 trip cost. Unfortunately some of the information was incorrect, an oversight that has since been corrected. Some students may have already paid, though they actually have sufficient funds in their accounts and other students may still have to cover their cost of the trip.

Tomorrow the science teachers will be distributing updated information regarding each students' account. Please ask your child for the paperwork when they get home on Wednesday, October 6th. If required you can send in the balance of the trip before the end of the week.

Sincerely,

Jon Paul Bollette

Principal/Coordinator of Instruction

Green Hills School
