

Afternoon Pick Up Procedures

- ❖ Student dismissal is 2:15
- ❖ Parents who plan to pick up students must update their plans on Pick Up Patrol
 - If you plan to pick up everyday you can set it as your default
- ❖ **Parents will remain in their vehicles** (This is new this year as we attempt to make the process smoother for everyone.)
- ❖ Staff members will approach vehicles to verify which students are being picked up and call in to the large gym for your children.
- ❖ Children will be sent out to vehicles, parents will pull out and cars will pull forward to continue the process

Please know that our intention is to keep the parking lot a safe place, to make the entire process smoother for families, and to make sure all students- those being picked up, bussed, or walking- are accounted for and safe.
