Dear Green Hills Parents/Guardians,

I am excited to invite you to our in-person 2021-2022 school year Back To School nights! This year, as we continue to operate through the COVID-19 pandemic, there are several precautionary measures that all must follow.

- While inside of school all individuals must be properly masked.
- There will be no whole group meeting at the beginning of the night.
 - Administration will send digital presentations and be on site for meet and greet conversations.
- To provide proper physical distancing we are asking that only 1 parent attend for each child.

As a reminder, it is not a night for individual conferences. If you do have concerns about your child's progress please contact the classroom teacher and schedule a meeting. I look forward to seeing you next week, showcasing the year ahead, and continuing to build supportive relationships with our community.

All the best,
 Jon Paul Bollette
