BACKGROUND CHECKS WILL BE DONE NO LESS THAN ONCE A YEAR, AND ON AN AS-NEEDED BASIS.

You will be required to register online each school year in VIPS/RAPTOR Volunteer Management System. All volunteers must pass a criminal background check before volunteering at any Crosby ISD school. Crosby ISD reserves the right, in its sole discretion, to refuse and/or restrict an individual's access as a Crosby ISD volunteer based on an individual's criminal history, in accordance with applicable law and Crosby ISD policies, specifically **Crosby ISD policy GKG**.

In compliance with such policy, a volunteer may not perform any volunteer duties until:

1. The volunteer has provided to a district a driver’s license or another form of identification containing the person’s photograph issued by an entity of the United States government; and
2. The district has obtained from the Texas Department of Public Safety (DPS) all criminal history record information that relates to the volunteer. A district may obtain a volunteer’s criminal history record information from any other law enforcement agency, criminal justice agency, or private consumer reporting agency.

The criminal history record review requirements apply to a volunteer or person who has indicated, in writing, an intention to serve as a volunteer with a district or shared services arrangement.

P3 Anonymous Alerts

campus

Crosby ISD utilizes the P3 Campus Alerts App for anonymous tip reporting. P3 stands for Protect, Prevent, Participate. The program is student-focused, as opposed to crime-focused, meaning it is a tool for alerting caring adults about students who need help—not snitching. This is part of our continuous effort to increase campus and student safety, and provide students with a safe, completely anonymous outlet to share concerns. You can make a report now in less than 5 minutes.

WHAT IS THE P3 CAMPUS ALERT APP?
The P3 Campus Alerts App is a reporting system to help combat bullying and other safety concerns by empowering students or parents to make anonymous reports. The system allows for one-way or two-way anonymous encrypted communications between submitters (students or parents) and campus/district administration and school staff. Users have the option to remain anonymous or include their identity when submitting a report.

HOW TO ACCESS THE APP
Send reports over web or internet
You can also download the P3 Campus app for your mobile phone
Apple Store
Google Play

HOW TO SEND A REPORT
To send reports over the internet, go to **www.p3campus.com**
To send a report from your phone:

- Download the P3 Campus Alerts app for free from the Apple Store or Google Play.
- Start the app.
- Select Crosby ISD Submit report
- Add screenshot, photo, or video about the incident

HOW ALERTS ARE HANDLED
Reports will be addressed by a trained team of school officials and law enforcement, when necessary. Reports are monitored 24/7 to ensure that time-sensitive matters are dealt with promptly. Reports made through the P3 Campus mobile app, unlike SMS text reports, have no length limitations or the need to remember a short code. Additionally, when reporters use the mobile app, they are noti ed when action has been taken on their report, which demonstrates the value of their time and concern. In both the web browser and app form, reporters can attach photos, screenshots, videos, documents or audio r
