Purple Star Designation Announced

Buckeye Valley Local Schools is proud to announce that West Elementary, the Middle School, and the High School have all been officially recognized as Purple Star Schools by the state of Ohio.

The 2025 Purple Star Schools were recognized by Governor DeWine and the Ohio Department of Education and Workforce for their dedication to creating a supportive and understanding environment for students and families with military connections, particularly those who have been touched by the sacrifices associated with combat.

This recognition marks a significant step in further strengthening the bond between the Buckeye Valley community and its military families.
