**A note from Mrs. Ragghianti:**

This month, the guidance lesson's focus will be on community and connection as we finish this school year. Our kids are making the world better right where they are by being kind and loving to one another.

**Coping Skill: Trusted Adults**

Knowing you are surrounded  
by trusted, caring and loving  
adults is a coping skill. Have  
your child name their trusted  
adults in their home, school,  
and community.

Trusted adults are grown ups they feel safe and  
comfortable with; that they can share their thoughts and  
feelings with. They are reliable, caring, and supportive.

**Creativity  
Overview**

Get ready for some fun as we  
focus on Creativity this month!  
One way to think about  
Creativity is "using your  
imagination to create  
something new or solve a  
problem." Opportunities to be  
Creative are all around us! How  
can you find ways to be  
Creative as a family  
this month?

Creativity is 1 of 3 traits we will  
focus on throughout the year  
that helps students **Be Well**.  
Across grade levels, students  
will be developing skills like  
emotion regulation, positive  
self-talk, and  
stress-management.

**PurposeFull Pursuits**

Have some fun connecting as a family this month  
while practicing Creativity. Here are 2  
"PurposeFull Pursuits" you can complete together!

**#1** Get Creative with expressing your  
emotions through a game of emotion  
charades! Gather as a family and  
brainstorm some emotion words. Write  
them on slips of paper and turn them  
facedown. Then, take turns choosing a  
slip of paper and acting out the emotion  
(assist with reading as needed). Other  
family members will guess the emotion  
that is being acted out. After each  
person's turn, take a moment to talk  
about what we may need when  
experiencing these emotions.

**#2** Review Creativity as a family! Creativity  
is using your imagination to create  
something new or solve a problem.  
This challenge is about creating  
something new - together! Find a  
large cardboard box and unleash your  
Creativity as you work together to  
create something totally new. What  
can the box become? Perhaps it will be  
a spaceship, an ice cream shop, a fairy  
castle, or a race car. Use any craft  
supplies or scraps on hand and your  
imagination to turn an ordinary box  
into a new creation!

**Conversation Starters**

- Can you share or show what Creativity is?
- How can being Creative help you solve problems?
