Dismissal Process for BCHS students being picked up at dismissal:

In order to keep our school traffic from backing up onto Johnson St, **only at dismissal, we will have two lanes.** If you get here early, you will pull in to the yellow line indicated on the left and begin parking. There will be 2 lanes of parked cars. We ask that students quickly dismiss and load vehicles so movement can begin. Please note, cars may need to merge after the green line for exit. The right lane will turn right, the left lane will turn left. Please extend kindness and grace during this process. Our preference would be for vehicles to turn right in order to keep traffic flow.
