

NEWS FROM THE NEST

APRIL 2025

FROM THE PRINCIPAL

Dear Families,

April is shaping up to be a busy and exciting month! After Easter Break, we will begin our end-of-year testing. We are eager to see the incredible growth our students have made throughout the year.

We are also excited to introduce One School, One Book to Boone Central Elementary! Each family will receive a copy of the selected novel to read and discuss at home. At school, students will engage in activities that celebrate and explore the story with their classmates. This initiative strengthens reading instruction, increases parental involvement, bridges the home-school connection, and fosters a true community of readers. We will wrap up this special event by watching the movie that goes along with the book.

Claire Kayton, Principal

A special thank you to the Albion Education Foundation for generously funding this opportunity for our students and families. Stay tuned for more details coming in mid-April!

Thank you for your continued support!

NURSE'S CORNER

April = Child Abuse Prevention Month

In Nebraska over 3,000 children a year suffer from abuse. Unfortunately it is not an uncommon thing. We know there are multiple different types of abuse and over 40% of those reported incidents occurred in school age children. Also, unfortunately those are reported incidents, many go undetected. The good news? Those children who are recognized and can get the professional help they need, tend to be really successful adults. How can we help?

*Educate yourself as a parent in stress management and discipline techniques. Don't ever feel embarrassed or a failure for asking for help!

*Speak to your child on how to say no, what to do if they ever need help & how to keep an open line of communication at all times. Remember it is okay to say no, you are the parent not the best friend.

*Get a support network as parents. You need your "village" to help you in times of need and create a safety net for each other. Family, friends, healthcare providers and school staff might be a start.

*Report any suspected cases of abuse or neglect immediately. Even if you are not sure, report it and let the authorities take it from there. You can report anonymously.
