Dear Ms. Carrie Dattilo,

Thank you for allowing **Children's Specialized Hospital School Services** to continue to be part of your efforts to provide appropriate and quality education, programs and related services for the students of your district or school.

Attached is the contract for occupational, physical and/or speech therapy services for the **2025 - 2026** school year. It would greatly assist us with our preparations if you **return via e-mail** a signed agreement to our office **no later than May 2, 2025**. The sooner we receive a signed agreement, the sooner we are able to solidify staff assignments for your district/school. We will return a fully executed copy of the agreement for your records.

Our occupational and physical therapy hourly rates for the new school year are **\$89.99** and the speech therapy hourly rate is **\$96.00**. These rates are pro-rated and not per session rates as charged by some providers. Included with your agreement is information outlining the added benefits **CSHSS** provides at no cost to you.

We have included 2025 extended school year (ESY) hours in the **2025 – 2026** contracts for any entities we have provided ESY hours for in the past. Contract hours are based upon the current weekly average for the regular school year and the 2024 ESY weekly average if applicable. If you require any changes to the proposed contract hours, please contact us (i.e., additional programs, eliminated programs, etc.).

Children's Specialized Hospital School Services also offers *professional development* for staff and *seminars* for parents and students. Please email us at SchoolServices@childrens-specialized.org or call for more information.

Children's Specialized Hospital School-Services Division is a *not-for-profit* organization. We maintain a commitment to providing quality, collaborative, least restrictive and cost efficient therapy services for your school or district. If you have any questions regarding the contract(s) and/or services or if you would prefer separate agreements for ESY, please contact us.

We appreciate your continued business, and look forward to working with you again next school year.

Sincerely,

Carole Soricelli
