## Notes from the District Administrator

I can't believe that my first year as an Almond-Bancroft Eagle is coming to an end. It has been my privilege to be your District Administrator and to get to know the amazing staff, students and community. I look forward to continuing to lead the district for many years to come.

The end of this year was a whirlwind of activity with field trips, awards, sports, activities, concerts, and graduation. It was amazing to see the culmination of a year of preparation for our arts programs, seasons of practice and playing for our spring athletes and the final steps that our graduates made as they crossed the stage to get their diplomas. Check out pictures in this newsletter.

In June we have summer school activities going on both in the morning and afternoon. This year our families were able to choose to take swimming lessons in the afternoon or participate in activities at the school including gardening. It's great to see and hear so many kids in the building even during the summer. We also have a group of students who are on a trip to Washington DC to experience American History first hand. This trip has been postponed for several years because of Covid, but the students are finally able to enjoy the nation's capital and learn while they are at it.

We are looking forward to the rest of the summer to find some time for rest and relaxation, but our administration, teachers and staff will also be preparing to welcome our students back in September. We hope that you all enjoy the summer and take advantage of some family time. Take time to laugh, enjoy the weather, get outside and celebrate being together. I know that we will.

Finally, at this year's Tater Toot the Partners in Education group is going to be running the **Cheese Curd Stand again**. We need your help. Please go to our Facebook page or put the link below into your browser to choose a date and time that works for you.

## 8th Grade Promotion

On Thursday, May 26th the 8th grade history class had the opportunity to visit the Almond Historical Society. The visit was complete with tours of the Almond Village Cemetery and the Historical Society building. The 8th grade class was able to learn about local Almond history and have their questions answered about the origins of our community. A big thanks to Art Pagel for hosting and each of the Historical Society members. The Society is open each Tuesday afternoon all summer long.

# KINDERGARTEN HAPPENINGS!

On May 12th, the kindergarten students walked to the Almond Branch of the Portage County Public Library.

The 4th and 5th grade students had a great time at the zoo and the capital in Madison. They learned all about the pregnant orangutan, how they clean the capybara's cage, and the wonders of the capital! They even got to see Madison from the top of an observation deck at Wisconsin's Capitol building.

Mrs. Perzinsk's 2nd grade class earned a reward of water balloons and water squirters on the last day of school! Fun was had by everyone! They also had a "Read Out" around the school and the weather was perfect for reading with a friend!

# Summer School

The summer school students love gardening. Look at the work they're putting into it!

Students got to practice their problem solving and teamwork skills. They were given the tasks of completing the tallest tower and building a platform that could hold the most blocks without falling. The highest block count was 98!

As part of Space Week, the students in grades 3-6 got to make straw rockets and play space card games.

Mr. Stead channeled his inner gym teacher and taught the kids some really fun parachute games! Check out this fun dome we all fit under!

# Washington, DC Trip 2022

Day 1 of the DC trip got off to a good and safe start. The group toured the Gettysburg battlefield on Monday afternoon!

Day 2 of DC trip was packed! Lots of walking today! The morning started with watching Marine One take off from the White House lawn and a stop at the visitor's center. This was followed by a visit of our nation's Constitution, Declaration of Independence, and Bill of Rights at the National Archives. After a quick bite to eat from a food truck it was off to our nation's Capitol. To finish the day we took in the changing of the guard and the eternal flame at the JFK's grave in Arlington National Cemetery.

Day 3 of the DC trip was the busiest day yet, full of many great reminders and important life lessons. The day began at the Iwo Jima (Marines) memorial followed by a morning, walking tour of the Thomas Jefferson, FDR, MLK Jr., WWII, Korean, Abraham Lincoln, and Vietnam monuments and memorials. The afternoon was filled with touring Mount Vernon, George Washington's home and plantation. To complete the day the tourists took in a Washington National's baseball game versus the Atlanta Braves.

Day 4 went off without a hitch! The morning was spent enjoying the sights and smells of the National Zoo. After lunch the group toured Ford's Theater and then spent a couple hours at the Smithsonian Museum of Natural History where the biggest attraction was the Hope Diamond! Dinner, at Ben's Chili Bowl was an awesome cultural experience and an inspiration to all. The evening finished under the sun setting shadows of the Washington Monument with frisbees, volleyball, and a football game. The day was a perfect end to the week in the city!
