Notes from the District Administrator

FINISH STRONG: The attitude of believing you can do something and having the courage and determination to see it through to the end (Larsen, 2013).

As we are nearing the end of the school year, I can't help but reflect back on things that happened this school year. As a new leader in the school district, I am so proud of all of our staff and leadership for how we have come together to provide the best educational experience for all of our students. I am equally proud of our students who have shown resilience to take on the challenges of the past two years and still continue to grow. I am so appreciative of our families and community for their unwavering support of our schools and our students. Finally, I am thankful that our school board consists of community members that always have the needs of our students, teachers, and schools at the forefront of all of their decisions. We have had a lot of success this year.

- We have been able to provide instruction to our students five days a week this year and have stayed open all year with only one short closure.
- We welcomed several new teachers and staff members into our Almond-Bancroft family.
- We have implemented several new programs to support our students as we move forward from the pandemic including phonics instruction K-2, social-emotional education K-8, new ELA programming and supplemental instruction 6-12, new science curriculum 6-12, intervention and enrichment programming K-8, etc.
- We were able to resume some activities that had to be altered due to Covid including allowing parents to attend concerts and activities during the school year, planning some family engagement activities, taking students on field trips, etc.
- Our students have shown their learning growth this year through many of our classroom and district assessments. We were very impressed with the focus that students showed during state assessment time this year.
- We have had great success with our music and art programs this year and the community enjoyed the musical, *Cinderella*, in April.
- Our sports teams also saw success with volleyball making it to regional finals, girls' basketball made it to the second round of regionals and boys' basketball won the conference championship. Several of our student-athletes won conference awards in their seasons.

The list goes on. All of us have stepped up this year to make things as smooth as possible and begin building for the future. Now is the time to FINISH STRONG. We need to see the success that we have had through the very end of the school year and beyond. As the weather gets warmer, sometimes it's more difficult to focus on school and the activities that students are involved in. Please encourage your children to stay the course and finish what they started. We will be doing that as teachers, administrators, and staff. We want this year to be the jumping-off point for where we really soar to future success. Let's all come together to make this happen!

Go Eagles!

Mrs. 2nd Grade Class Poems 2022

April is poetry month and the 2nd graders learned about different elements of poetry. They also learned about different types of poetry like diamante and haiku. A diamante poem is made of seven lines of words arranged in a particular diamond-like form. The word diamante is pronounced DEE - UH - MAHN - TAY; it is an Italian word meaning "diamond." This type of poem does not contain rhyming words. Haiku is also an unrhymed poetic form that consists of 17 syllables. Typically, every first line of Haiku has 5 syllables, the second line has 7 syllables, and the third has 5 syllables. The haiku gives a moment of insight and is usually based on observation.

Our Class

Our class is as noisy as a stampede of elephants running from lions.

Our class is helpful like a mother cat moving her kittens.

Our class is as silly as a pug chasing its tail while wearing a top hat.

Our class is hardworking like a squirrel collecting acorns for winter.

Our class is a bookworm devouring chapter books.

Our class is a strong pack of wolves working together.

Recess

Ahhhhh! Tag, you're it!

Squeak, squeak, squeak.

Swings

Bonk! I fell!

Wahhhhhh! I need a bandaid.

Winter

The snow glistening
As I sled down the mountain
Don't crash, don't crash, ouch!

4K News....

To finish off our busy Week of the Young Child, we tied in Family Friday with our monthly FEST (Families Enjoying School Together)! Families were invited to school to experience a day in 4K. We played, did our calendar and weather, practiced our letter cards, did some dancing, read a story, and did a fun, family art project. We ended our time with MORE dancing using GoNoodle! The kids had a great time showing their families what their day is like at school!

ELEMENTARY BAND NEWSLETTER

IMPORTANT INFORMATION:

Welcome to May! The 5th grade band students have been doing a fantastic job in class as we continue to prepare for our upcoming Elementary Spring Concert. Another important event to keep in mind this month, is the 5th grade band picture day taking place during class time on Wednesday, May 18th. On this day, all 5th Grade Band members will be photographed, with parental permission, with their band instrument. Should our current 5th graders participate in band through their senior year of high school, these photos will be shared at their senior spring concert to commemorate the journey they have traveled. These photos will be shared with parents sometime this month. I encourage all students to dress up for this picture day. I look forward to cherishing these photos in years to come!

Solo & Ensemble Competition

This February, the high school band and choir students participated in the annual Solo & Ensemble Competition. This year, the competition was hosted at Pittsville High School.

At this competition, students have the opportunity to perform a musical piece for renowned judges who provide the students with an overall score, as well as constructive feedback, for their performance. The students worked diligently through the winter to prepare their performances and their hard work was recognized by the judges. We look forward to next year's competition!

Upcoming Events

Mark your calendars for the following upcoming band and choir events:

- Middle and High School Band Concert - May 13th
- Middle and High School Choir Concert - May 19th
- Elementary Music and Band Concert - May 25th

The fifth graders had a virtual Zoom presentation done by the Wisconsin Historical Museum on Lumberjacks. The students had a great time asking questions and learning about the daily lives, equipment, and conditions the lumberjacks lived and worked in every day. Overall, the students really enjoyed the experience.

Ms. Parr's middle school class picked up trash around the school property during Eagle Time to celebrate Earth Day!

For ARTSY THURSDAY, the 4K joined Mrs. Ziebell and some high school students in the Elementary Art Room. Together, they made a special handprint keepsake that families will be able to keep!

As the weather gets warmer, we start to think about summer vacation. Summer vacation is a great time to get caught up on immunizations your student may need. Per DHS guidelines, all students entering Kindergarten through 5th grade should have received 4 Polio, 3 Hepatitis B, 2 Varicella, 4 DTap, and 2 MMR vaccines. All students entering 6th grade should have received the Tdap vaccine. If you wish to waive any vaccines, please fill out the immunization waiver form. The student immunization record waiver form must be signed by a parent/guardian and each immunization you wish to waive must be listed. Please list the reason you wish to waive the immunization by checking the correct box on the form. If you have any questions, please feel free to contact me at 715-345-5764.

Thank you,

Media Release - Summer Food Service Program

Stressing the importance of offering nutritious meals to children during the summer months, the Almond-Bancroft School District announces the sponsorship of the Summer Food Service Program.

The Summer Food Service Program (SFSP), which is funded by the U.S. Department of Agriculture (USDA) and is administered by the Wisconsin Department of Public Instruction, provides nutritious meals to children during the summer, when free and reduced-price school meals are typically unavailable. **Free meals will be made available to children 18 years of age and under.** Persons over 18 years of age who are determined by a state or local public educational agency to be mentally or physically disabled and who also participate in a public or private non-profit school program during the regular school year may receive free meals as well.

The following locations will be serving the free meals this summer, Almond-Bancroft School Cafeteria, breakfast served from 8:00-8:30 AM, and lunch served from 11:30 AM to 12:00 PM, Monday –Thursday, June 6th - June 30th. Meals are provided to eligible children regardless of race, color, national origin, age, gender or disability and there will be no discrimination in the course of meal service.

“This program fills a void created when school lunches are not available,” said Trina Warzynski, Food Service Director. “Helping parents meet the nutritional needs of their children is the strength of this program.”

Non-discrimination Statement: In accordance with Federal civil rights law and U.S. Department of Agriculture (USDA) civil rights regulations and policies, the USDA, its Agencies, offices, and employees, and institutions participating in or administering USDA programs are prohibited from discriminating based on race, color, national origin, sex, disability, age, or reprisal or retaliation for prior civil rights activity in any program or activity conducted or funded by USDA. Persons with disabilities who require alternative means of communication for program information (e.g. Braille, large print, audiotape, American Sign Language, etc.), should contact the Agency (State or local) where they applied for benefits. Individuals who are deaf, hard of hearing or have speech disabilities may contact USDA through the Federal Relay Service at (800) 877-8339. Additionally, program information may be made available in languages other than English.

To file a program complaint of discrimination, complete the [USDA Program Discrimination Complaint Form](http://www.ascr.usda.gov/complaint_filing_cust.html), (AD-3027) found online at: http://www.ascr.usda.gov/complaint_filing_cust.html, and at any USDA office, or write a letter addressed to USDA and provide in the letter all of the information requested in the form.
