- 6/11-First Day of Summer School
- 6/18-Board of Education Meeting, 7:00 pm, Boardroom

District Administrator Message

Is anyone else shocked that it is already the end of the school year? It seems as if this school year has just flown by! This is always an exciting time of the school year with graduation, field trips, spring sports, class celebrations and a lot of learning shoved in there as well!

This year's graduation ceremony is May 23rd at 7:00 p.m. in the West Gym. I always enjoy this ceremony, because it is the culmination of so much hard work by students, teachers, staff, parents, and community members. It is a testament of us all working together to support these students that they are able to graduate and fulfill their dreams. At 9:45 that morning will be the senior walk where seniors are in their caps and gowns and walk through the school setting the example for all of our students of what can be accomplished. Parents can come to the main office and will be able to watch the senior walk.

Theodore Roosevelt once said, "Believe you can and you're halfway there." One thing about being in a K-12 district and a small community is that we are fortunate to be able to truly know our students and give them what they need all throughout their time in school. We can see the kindergarten student grow and blossom into the middle school student and then spread their wings as a high school student. We can all be witness to that in this building. I am proud to say that each member of our staff works very hard to help our students believe in themselves, so they are already 'halfway there' and can succeed.

This collaboration speaks to our mission statement "The Almond-Bancroft School District, with support of families and community members, will provide a safe and supportive learning environment, which challenges and prepares each student for success today and tomorrow." This is what we live out each day and continue to do that until the last day of school and beyond.

Summer school begins June 11 and goes through July 1st. We are having both elementary and middle school summer school again this year. We are hoping that we have enough middle school students who register to run a class. Parents should have already received information for summer school. This is a great opportunity for students to continue their learning in the summer as well as having fun and being with their peers.

As the school year winds down, I look forward to seeing many of you at different events - from concerts, to sports, to graduation, to community events. It's great to see all of you supporting our students in doing the things that they love and in celebrating their achievements. It truly does take a village to raise a child and I am proud to be part of this district and community and am honored to have a small part in supporting all of our students.

Dr. Jodi Becker

The last day of school for 4K will be Wednesday, June 4th. 4K will not be at school on June 5th for the half day.

Almond-Bancroft School District Mission Statement

The Almond-Bancroft School District, with support of families and community members, will provide a safe and supportive learning environment, which challenges and prepares each student for success today and tomorrow.

Almond-Bancroft School District Vision Statement

We are a collaborative community focused on continued growth in opportunities, choices, and expectations for all students. We prepare self-motivated and responsible students to become well-rounded and successful citizens.

Class of 2025 Valedictorian **Kerstyn Clark**

Congratulations to Kerstyn Clark on being named the valedictorian of the class of 2025!

Kerstyn will be attending the University of Wisconsin–Green Bay this fall to study Psychology. A well-rounded and dedicated student, Kerstyn has been actively involved in academics, athletics, and leadership throughout high school.

She has participated in Volleyball, Basketball, and Softball all four years, and joined Student Council as a freshman after being recruited directly from 8th grade. She was elected Class Treasurer during her sophomore year and has served as Class President from junior year through graduation.

Kerstyn became a member of the National Honor Society in her junior year and was elected President her senior year. She also competed in Math League during her sophomore and junior years and in Quiz Bowl during her junior and senior years—serving as A-Team Captain as a senior. Additionally, she took part in the Portage County Business Council Teen Leadership Program.

Thank you, Kerstyn, for your dedication and contributions. We wish you all the best as you pursue your goals and future endeavors!

Class of 2025 Salutatorian **Kylie Garner**

Congratulations to Kylie Garner on being named the salutatorian of the class of 2025!

Kylie will be attending the University of Wisconsin–River Falls this fall to pursue a degree in Animal Science. Throughout her high school career, Kylie has been an active and dedicated member of 4-H, FFA, the National Honor Society, Student Council, and Student Government. She has held numerous leadership roles within these organizations, including President, Vice President, Reporter, and Treasurer.

In addition to her school involvement, Kylie has served as the elected Youth Director for both the 4-H Leaders' Association and the Waushara County Junior Livestock Committee.

We thank Kylie for her outstanding contributions and leadership, and we wish her continued success in all her future endeavors!

We are so proud of all of our
A-B graduating seniors!

MIDDLE SCHOOL STUDENTS OF THE MONTH

February-

Dylan Anderson is our sixth grade February student of the month! Dylan is a very respectful and engaged learner. He pays attention very well, asks good questions and always has his work in on time. He gets along well with his classmates and is a genuinely nice person. Congratulations Dylan!

Our seventh grade February student of the month is Mazie Bradley! Mazie works hard at all of her work and is easygoing and fun to have in class. She is a great classmate and works well with others. Congratulations Mazie!

Audrinna Sikorski is our eighth grade February student of the month!

Audrinna works hard, pays attention, asks great questions and is overall a positive influence on her classmates. She takes her learning seriously and is not afraid to ask for help if needed, or give help if she can. Congratulations Audrinna!

March-

Our sixth grade March student of the month is Bennett Wiza! Bennett is a very confident student who often takes time to make sure his answers and work are up to standard. His answers and comments often dig a bit deeper and expand knowledge. Congratulations Bennett!

Our seventh grade March student of the month is Andrea Ramirez! Andrea has a quiet way about her. Her work is well put together and shows a broad understanding of topics. She is a good friend to others and always tries to help when she can. Congratulations Andrea!

Our eighth grade March student of the month is Loretta Behnke! Loretta has a desire to learn and to make sure she understands the content. She puts in extra effort to complete tasks at a high level. Loretta also makes sure to take time for her friends. Congratulations Loretta!

ELEMENTARY POSITIVE BEHAVIOR PEP RALLY

For our April pep rally, we focused on Problem-Solving. We talked about the size of our problems and when you might need help from an adult to help solve your problem or when you can do it on your own. Congratulations to the drawing winners!

HIGH SCHOOL FORENSICS

The Almond-Bancroft High School Forensics team competed at the State Meet at UW-Madison on Saturday, April 12th! Lucy Behnke was awarded a bronze medal in the poetry category. Camryn Wade was awarded a silver medal in the prose category. We are so proud of our medalists!

On April 16, students were inducted into the National Honor Society. The officers spoke about the four pillars of the NHS: Scholarship, leadership, service, and character. Mrs. Schumacher and Mrs. Behnke also gave remarks. Congratulations to our new members Anahi Aguirre, Jackson Barden, Sophia Chapa, Tia Dernbach, Lucy Behnke, Kaylee Doll, and Dean Fosmire.

NHS

April 21-25 was National Student Leadership Week and we're giving a big shoutout to our amazing NHS student leaders! You all go above and beyond—not just in the classroom, but in your communities too. From organizing service projects to being a positive influence every day. We're proud to have you represent our school!

Elementary Activities

In March 4K had a family outreach activity at the Food and Farm Exploration Center to add to our unit on Farms! We had 13 families attend and learned about what different colored foods do to make you healthy. The kids also got to enjoy some fruit salad to enjoy those different colored foods. We then explored all the fun activities of the Exploration Center including playing in the child sized grocery store, food truck, tractor simulators, and a full sized tractor just to name a few. Everyone had a great time. A big thank you to our parent organization PIE for donating funds to make this activity possible for everyone. We truly appreciate it!

Kindergarten has been learning all about identifying the properties of 2D and 3D shapes. Mrs. Carstens' class practiced creating their own 3D shapes using playdough and toothpicks! They had so much fun that they kept asking for more time so they could keep creating shapes!

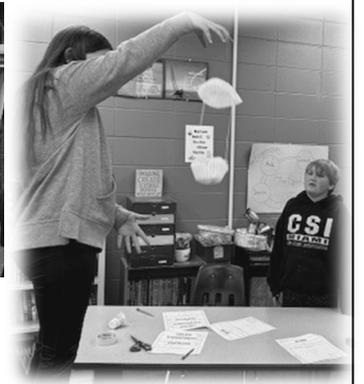

Mrs. Lehman's and Miss Maves' 5th grade math class have been working on finding the volume of

shapes. They made their own shapes out of toothpicks and marshmallows for an intervention project, and then had to find the volume of their creations. They worked hard, had fun, and even got to enjoy a marshmallow or two while working!

The 4th and 5th grade students

were tasked with designing and constructing parachutes to safely transport a Peep from an elevated height to the ground as part of a STEM engineering challenge.

The ELC Students were amazed by magnetic simulation of butterfly flight!

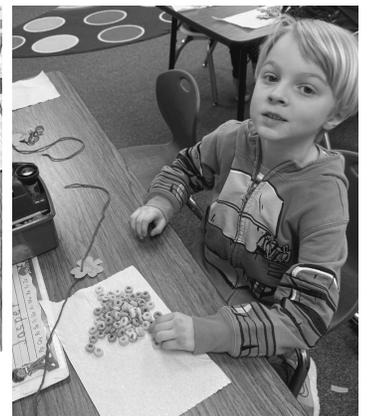

The students also built working circuits in STEM to learn about electricity and electrical circuits. They were able to make a lightbulb, a buzzer, and a fan work!

Positive Behavior Pep Rally fun!

The 4K ELC had fun working on their small motor skills by threading cereal on strings to make an edible necklace.

Middle and High School Activities

Ms. Erdmann's Anatomy and Physiology class traveled to UW Madison's campus to learn about engineering materials and the differentiation of STEM cells. Students had the opportunity to learn how engineers study different types of materials and design everyday items people use. Specifically, they looked at metals and how safety/durability in vehicles has changed overtime. Students also had the opportunity to run a real-life simulation of how scientists differentiate STEM cells for medical purposes and research.

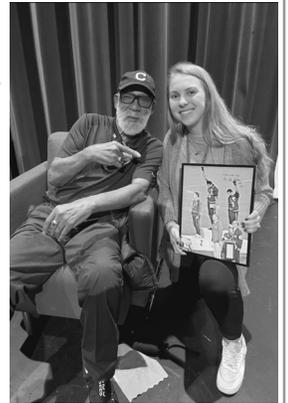

Ms. Schnelle's Civics and US History classes had a special opportunity to listen to and meet, Olympic bronze-medalist and activist Dr. John Carlos.

The classes took two weeks to prepare a little each day with either a quote or a video to truly understand why Dr. John Carlos protested in the way he did! Dr. Carlos spoke humbly to the students about the power of making (the right) choices, having compassion for people and challenged our thoughts on the importance we have in this world.

He talked about his childhood, growing up in Harlem, his family, friends and what led him to becoming an Olympian and activist. Hearing his voice recall what happened during the 1968 Olympics was so inspiring. Although we only had an hour, John also allowed time for kids to come up and talk/get a picture with him.

What an inspiration and incredible person for our students to look up to! We look forward to the positive changes that they will make in this world!

The freshman and sophomore students attended the MSTC Showcase, they were able to see and have hands on experiences with some of the programs that MSTC offers.

Senior Class Trip 2025!

The seniors at Kennedy Space Center. They also were able to view the SpaceX Falcon 9 rocket launch from the beach their first night in Florida!

The A-B Track and Field team has had a great start to the season. We are led by our two seniors Vivian Kramer and Mason Sosin. Each athlete has competed hard and set new personal records or PRs as we call them. As a team, we can't wait to see how well the athletes place at our conference track meet on May 16th in Wild Rose. Our postseason track meets begin Tuesday May 27th with the regional track meet at St. Mary's High school in Neenah. Here's to a great season!

2025-2026 Almond-Bancroft Elementary School Supply List

4K

Please label all supplies with your child's name.

- 2 2-pocket folders
- 2 "My first wooden pencils" (for pre-K they are a bit bigger than regular pencils)
- 6-8 glue sticks
- 1 liquid glue
- 1 color box
- 1 box of 24 crayons (traditional colors)
- 1 box water based thick markers (traditional colors)
- 1 watercolor paint set
- 1 family picture
- GIRLS: 1 box SANDWICH bags (Ziploc, not foldable)
- BOYS: 1 package small paper plates
- 2 box tissues
- 1 canister disinfectant wipes
- 1 regular-size backpack (small backpacks are too small)
- 1 full change of clothes to be kept at school - label all items and place in a gallon-size Ziploc bag (label bag as well)
- 1 small blanket for rest time (storage space is limited)
- 1 small travel-sized pillow for rest time - this is OPTIONAL (keep in mind, it must fit in a small cubby with the blanket)

Snack Time

I will work out a snack calendar after the year has begun. It is always ok to have extras in the cupboard so thank you in advance.

Snack Ideas can include but are not limited to: Crackers: Ritz, Saltines, Graham, Goldfish, Cheez-its, Veggie Straws, Bugles etc. Pudding, applesauce, cheese slices, string cheese, fresh or dried fruit, raisins, granola bars, cookies etc.

VOLUNTEERS NEEDED!

CALLING ALL VOLUNTEERS!
WE NEED YOUR HELP!

the Booster Club is looking for dedicated individuals to join us in our mission to make a positive impact in our community.

NEXT MEETING IS
MAY 18TH

#AlmondBancroftPRIDE

Parents/Guardians of Almond Bancroft Students,

The Eagle Booster Club is looking for volunteers to join this organization. There will be quite a few current volunteers that will no longer be active in the Booster Club, due to their children graduating along with opening positions on the board within this organization.

The Booster Club is very active in the Community, not just pertaining to sporting activities. We try to have a couple big fundraisers throughout the year to help with donations. Currently we host a Trivia Event and Golf Outing in the Spring each year and last couple of years we have been responsible for concessions during the football season. Please consider joining the Eagle Booster Club to keep this organization active.

If interested, **you must attend the May 18th meeting at 5:00pm in the Almond Bancroft School auditorium.** We are looking for at least 6 individuals to be committed/involved in the Booster Club. If we do not have this attendance at the May meeting the organization will shut down and funds will be distributed as the members see fit.

Below are different activities that the Booster Club has donated to or provided to the community:

- Equipment for School Training Room
- Scholarships for A-B Seniors
- Sponsored High School girls and boys summer basketball leagues
- Provided meals for seasonal sports banquets
- Provided scholarship for DC Trip
- Supported HOCO and tailgate party
- Purchased and installed Visitor and Home signs in West Gym
- Organized Girls/Boys Basketball T-shirt Sales
- Donated a portion of basketball travel suits
- Sponsored portion of cost for gym floor artwork
- Donated Conference Champ memorabilia for students, including shirts, football rings, pictured basketballs
- Donated towards High School volleyball net/poles
- Providing meal for emergency response training
- Donate money to Local American Legion
- Sponsored athletes for speed and agility camps
- Sponsor Youth Basketball programs and Youth Basketball camps
- Donated to American Legion Athletic Meal for Community members to attend
- Donated to Softball Field Project
- Hosting Veterans Night and Teachers Night at Football games

Thank you for considering,

Keith Dernbach, President, Chad Newby, Vice-President, Nicole Dernbach, Treasurer, April Stiles, Secretary

A-B GRADUATES NAMED TO COLLEGE 2024 FALL SEMESTER PRESIDENT'S LIST, DEAN'S LIST, OR HONOR ROLL

P.I.E MEETING

**Please consider
joining us!**

The next Almond-Bancroft PIE (Partners In Education) meeting will be on May 14th at 3:30 pm in the AB LMC.

**Your input matters.
All are welcome!**

ALMOND VILLAGE RUMMAGE SALE

Let the
Bargain Hunting
BEGIN!

**MAY 2ND AND MAY 3RD
7 AM- 4 PM**

- * Buyers find your hidden gems!
- * Sellers get rid of your clutter and unwanted items!

Don't forget to post your own yard signs!

MEMORIAL DAY 2025

**Mead-Rath-Gutke, Almond Post 339
will hold their Memorial Day Program on
May 26, 2025, in the A-B School Auditorium
starting at 10:00 am.**

**The day to remember with gratitude and pride all those who
served and died for our Country and our Freedom.**

The school band will play a number of patriotic songs.
The names of deceased veterans will be read. A flag folding ceremony will
follow, the meaning of each fold will be read as it is folded.
Quilts of Valor will be presented by the Almond Golden Needle Quilt Guild.
To conclude the program, we will go to the Village Cemetery and Decorate the
Grave of the Unknown Soldier.

After which we will have the rifle salute and the playing of Taps.
Unit 339 the Ladies Auxiliary will have Poppies available for those who would
like to have one for a small donation.

Parents, does your elementary or middle schooler
need somewhere to go or something to do during
the month of June? If so, it's not too late to sign
them up for Summer School.

**June 11, 2024 to July 1, 2025
Monday-Thursday
8:00 am to 3:30 pm
Kindergarten-8th grade**

- Free Busing from Bancroft Lions Park
- Free Breakfast (8:00-8:30) and Lunch (11:30-12:00)

To register your child: Go to the District Webpage,
www.abschools.k12.wi.us, click on "Summer
School Registration", click on "Registration
Form", and complete registration on or before
Friday, May 16, 2025.

If you do not have access to the internet to
complete the registration, you are welcome to
come to school and we will assist you in
registering your children. You may also request a
paper copy by calling Trina Warzynski at 715-366-
2941 ext. 422.

If you have any questions, please feel free to call
Toni Schumacher at 715.366.2941 ext. 123.

**Free meals for all children
18 years of age and under!**
