

## EXPLORE THE ARTS WITH CRANE RIVER THEATER COMPANY

*The arts are an opportunity to explore, create, and have fun. Kids of all ages can relate to the universal appeal of music, theater, and dance. It is for this reason that we bring to you a series of classes that challenge kids to turn the ordinary into the extraordinary! The intention is to have fun through imagination and play. All classes are offered through Crane River Theater. The final day of classes will include a performance for families and friends. All classes are generously supported by the Nebraska Arts Council and the National Endowment for the Arts. Specific class content questions should be directed toward Crane River Theater at 308-627-5796.*

*\$10 supply fee, that includes a t-shirt for each class, which is payable to "Crane River Theater" at the first class.*
