## School Year 2025-2026

School Year registration is  
going to take place a little  
later than usual this year as  
we are transitioning to a  
new software program.  
Don't worry- you will still  
have a priority registration  
period! It will still be due  
before the end of the  
school year. Keep on the  
lookout for emails about  
the dates.

Here are some of the key  
changes that you will see  
with the new software:

- ☐ You will have the  
ability to add  
emergency contacts,  
pick up persons and  
update phone  
numbers yourself in  
the software.
- ☐ Payments will be  
made directly into  
the software,  
directly to your  
account making it  
easier to see what  
you owe and what  
you have paid!
- ☐ Because everything  
will be compiled in  
one site, due dates  
will be especially  
important as the  
system will  
automatically  
transition over when  
sign up periods end,  
and assign late fees  
on an automatic  
basis.
- ☐ The new software  
has an App that you  
will be able to put  
on your phone to  
make payments, and  
changes easily!

## Summer Registration is CLOSED

Any requests that come in  
will be put on a waitlist.

## Summer is coming!

Our summer program is  
right around the corner.  
For the families  
participating in Camp, we  
have a TON OF FUN  
planned! Great field trips  
and summer activities to  
keep everyone busy. Fingers  
crossed for lots of sunny  
days, especially Fridays for  
Woodstock Water Works.  
Be sure to check out the
