- Complies with the State Tax Levy Cap

VOTE

May 20, 2025 6 a.m. to 9 p.m.

**Briarcliff Youth Recreation Center
5 Van Lu Van Rd, Briarcliff Manor, NY**

Budget Vote and Board Candidate Election

Message from District Leadership

Dear Briarcliff School Community,

As we prepare for the 2025–2026 school year, our goals remain clear: to provide a world-class education while evolving our schools to reflect the values and aspirations of our families and school community. The proposed budget of **\$59,828,486**—a modest **0.9% increase** from the previous year—demonstrates both fiscal responsibility and our ongoing commitment to educational excellence and environmental sustainability.

This year's budget reflects a forward-thinking approach, strengthening academic programs, supporting teacher development, and making strategic investments in our facilities. These efforts will enhance student learning environments while also generating significant long-term cost savings. At the core of this plan is a shared vision: building a more effective and efficient Briarcliff School District while preserving resources and opportunity for future generations of students.

Investing in Academic Excellence

The proposed 2025–2026 budget reflects a strategic commitment to enhancing student achievement and empowering instructional excellence. Key investments include:

- **Enhanced Elementary Academic Support:** Strengthening our ability to provide personalized, targeted interventions that address individual student learning needs and foster academic growth from the earliest grades.
- **Advancing K–8 Literacy Instruction:** Continuing our district-wide literacy initiative, expanding teacher expertise and instructional resources to ensure all students develop strong foundational reading and writing skills.
- **Strengthening K–5 Mathematics Foundations:** Enhancing math instruction in the elementary grades by increasing teacher capacity and resources, ensuring that students build deep conceptual understanding and confidence in numeracy from the start.
- **Next Generation Learning Standards Implementation:** Further rolling out updated curriculum and instructional practices at the middle and high school levels to align with New York State's more rigorous and open-ended academic standards.
- **Expanded Academic and College Counseling at the High School:** Increasing access to personalized academic guidance, post-secondary planning, and social-emotional support to ensure students are well-prepared for college and career pathways.
- **Professional Development in Critical Thinking and Instructional Innovation:** Offering high-impact training for faculty to design meaningful learning experiences and cultivate essential analytical and problem-solving skills in students.

Building a Sustainable Future: Energy Improvements Begin This Summer

In addition to advancing academic priorities, the district is moving forward with an ambitious plan to modernize our facilities and significantly reduce our environmental footprint. Thanks to the strong support of residents, the **Energy Performance Contract (EPC)**, which was approved last year, will enter the implementation phase this summer. This initiative marks a major milestone in our commitment to long-term sustainability, operational efficiency, and improved learning environments.

Key components of the EPC include:

- **Transition to Solar Power:** Installing solar panels across school buildings will significantly reduce our reliance on the electrical grid and lower long-term utility costs.
- **Upgraded Heating Systems:** Installing high-efficiency boilers will drastically decrease natural gas use and reduce greenhouse gas emissions by more than 1,600 metric tons annually.
- **District-Wide LED Lighting:** Replacing all existing lighting with energy-efficient LED fixtures will improve visibility in classrooms and common areas while reducing electricity consumption.
- **Enhanced Climate Control Systems:** Modernized cooling systems will create more comfortable, energy-efficient indoor environments, supporting both student wellness and environmental goals.

This transformational project will be funded through energy cost savings over time and bolstered by additional state aid. We are excited to begin this work and are grateful to our community for supporting this important step toward a greener, more sustainable Briarcliff.

Your Voice, Our Schools, Their Future:

The upcoming budget and Board of Education election vote is an important moment for a school community. It represents an opportunity to reaffirm our educational values, shape the future of our schools, and invest in a stronger, more sustainable school district. The vote will take place on Tuesday, May 20, from 6 AM to 9PM at the Briarcliff Manor Youth Center located at 5 Van Lu Van Road, Briarcliff Manor, New York.

We encourage every eligible voter to participate in this important decision. For more detailed information about the proposed budget and sustainability initiatives, please take a moment to review our comprehensive Budget Book, available on the District website or directly at bit.ly/25-26BudgetBook.

As we look to the future with optimism, we are inspired by our partnership with families and the shared belief in what is possible when we work together. We sincerely thank you for your ongoing support, engagement, and commitment to the mission of our schools.

Appreciatively,

Dr. James Kaishian
Superintendent of Schools

Michelle Woerner
Board of Education President

Budget/Expense Summary

Category	2022-23 Budget	2023-24 Budget	2024-25 Budget	2025-26 Proposed

 - Abby Healy** – American Psychological Association Award; **Saanjh Patel** – NASA Earth System Science Award; **Sari Linett** – BASF Expanding Knowledge in Science Award; **Noah Rinke** – 4th Place in Mathematics; **Meera Desawale** – Second Place in Physics and Astronomy; **Riya Raina** – Second Place in Behavioral & Social Science; **Kevin Gong** – First Place in Cellular and Molecular Biology, ISEF Finalist. Kevin was a Grand Prize Winner, and will be traveling to Columbus, Ohio to participate in ISEF (International Science & Engineering Fair) in May.

Briarcliff Middle School

- The school received the Apple Distinguished School Designation for the second time
- The school is ranked #1 in the County and #3 in the State on the NYS Intermediate-Level Science Test
- Students held a canned foods drive, with all donations going to Feeding Westchester in November and February
- Various clubs hosted the Thanks & Giving Boutique, where students were encouraged to "give something to get something," and celebrated the season of giving and togetherness
- Eighth graders participated in a grade-wide social-emotional learning day inspired by "Inside Out 2," focusing on emotions, feelings and building self-awareness through engaging activities
- Sixth graders visited Taconic Outdoor Education Center for a teambuilding workshop

- Sixth graders celebrated Dia de los Muertos by creating ofrendas honoring Hispanic figures, followed by a viewing of "Coco" and an authentic Mexican lunch at Maya Riviera in Briarcliff
- Eighth graders visited the Vanderbilt Mansion
- Master Storyteller Jonathan Kruk visited seventh graders to perform the story of "A Christmas Carol"
- Seventh graders visited Teatown Nature Preserve
- Sixth graders took part in a multi-session playwriting workshop with Arc Stages
- Students had a digital safety assembly with Katie Greer
- The Student Council hosted its first annual Turkey Bowl with community events and activities
- Students in the Cultural Enrichment Classes celebrated Lunar New Year by decorating the school in honor of the Year of the Snake
- BMS hosted multiple Spirit Weeks each season of the academic year
- Students viewed Chagall and Matisse stained-glass windows at the Union Church in Pocantico Hills, followed by a French lunch at Le Jardin in Chappaqua, as part of an eighth grade and art field trip
- Student musicians showcased their talents during the winter and spring concerts
- The annual Holiday Ugly Sweater/ Outfit Contest was a huge hit!
- Seventh graders adopted a crested gecko as a class pet in their living environment class
- Musicians participated in concerts sponsored by the Westchester County School Music Association (WCSMA).
- The Student Council hosted Kindness Week in February, which culminated in its annual ice-skating community event
- Seven middle schoolers won various PTA Reflections awards

- The eighth grade engaged in a full Community Day focused on perspective-taking and combating stereotypes, including viewing the "Black History and Black Culture: Eyes Wide Open" exhibit at Bethany Arts in Ossining
- Middle schoolers' artwork was on display at the Briarcliff Manor Public Library throughout March

Todd Elementary School

- Todd received the Apple Distinguished School Designation
- Kindergartners held the Turkey Trot
- Author Nathan Hale visited fourth and fifth graders
- Todd students participated in the National Circus Project
- Todd fourth graders received Gratitude Journals through a BMEF fund
- Students held a school-wide vote on a new relay race on Field Day
- The Harlem Magic Masters held a school-wide assembly
- The school held a Halloween parade
- The school participated in the "Winter Sing"
- Briarcliff Manor Fire Department visited the school for a fire-safety demonstration
- Students celebrated the Big Apple Crunch
- Students participated in activities with Arc Stages, a local theater company
- Students took trips to the local library
- First graders visited Hilltop Hanover Farm
- Fourth and fifth graders participated in A Day in Clay
- Author/illustrator Nina Crews visited second and third graders
- Fourth and fifth graders learned about digital health and safety with Katie Greer
- Todd celebrated "World Read Aloud Day" with visits from local dignitaries
- Todd celebrated Kindness Week

- The school celebrated the 100th Day of School
- Students had a "Super Brady" assembly
- The school held a Souper Bowl food drive
- Author Beth Ferry visited kindergartners and first graders
- Fifth grader Oliver Lanier played the flute in the All-County concert, sponsored by the Westchester County School Music Association (WCSMA)
- There were six winners in the PTA Reflections Program
- The school had a multicultural assembly with Calpulli Mexican Dance group

Leah Tashiro – 4x800 Meter Relay
Ryan Franks – Section One
Sportsmanship Award Winner

Varsity Wrestling – League Champions/Section One Dual Meet Tournament Champs

Mohamed Eltahawy – Section One Sportsmanship Award Winner

Briarcliff

GIVES BACK

Briarcliff Manor School District is a diverse, inclusive school, with a strong focus on academic excellence. It is also an altruistic district that emphasizes giving back to the community. Here are a few examples.

Todd School and Briarcliff Middle School held a Soup-er-Bowl food drive in February. The middle school also held a food drive around Thanksgiving. The schools collected canned food, dry cereal and other non-perishable items.

"With over 1,000 pounds of food, we were able to create roughly 1,153 more meals for our neighbors in need across Westchester County. We are incredibly grateful for all of the support the Briarcliff School District has provided our community over the years." – Danielle Vasquez, Feeding Westchester

The Briarcliff High School Student Government held a canned food drive before Thanksgiving and donated four boxes filled with canned goods.

"Donations such as these are a key part of our operation. We could not accomplish our mission without the generosity and concern of supporters such as your students and your school community. Thank you!" – Doug Gaynor, Ossining Food Pantry

Members of the Briarcliff High School Girl Up Club collected pajamas for women, children and babies, as well as personal hygiene items, with bins in all three schools. There was an additional collection of personal hygiene products from community members in front of Value Drugs. Cash donations were used to purchase gift cards for Target.

"Thank you so much for your continued support. Your donations tell our clients that somebody cares about them and that their journey matters. Survivors rely on us, and we are so grateful to know that we can rely on you." – Anisia Figueroa, My Sister's Place

Todd fifth graders collected hygiene products and children's books, as part of their Capstone projects in 2024. They collected about four large boxes of books and two large boxes of toiletries, for a total of over 700 items.

"Thank you all so much for your hard work putting together these generous donations. Your toiletry kits will be distributed to children in need in Westchester County so that they stay confident, clean and healthy." – Nichole Culotta, 914 Cares

The Inter-Generational Alliance Club at Briarcliff High School visited the Artis Senior Living Center in Briarcliff before Thanksgiving to spread holiday cheer and play board games with the residents.

"We are deeply grateful for the students at Briarcliff High School Inter-Generational Alliance Club's invaluable support with projects, games and heartfelt holiday letters. Their contributions brought immense joy to the residents, and their kindness truly made a lasting impact. Thank you from all of us at the center!" – Lisa Irving, Artis Senior Living Center
