Public Hearing

2025-26 Operating Budget:

- The budget aligns with the district's Strategic Plan, Board of Education Goals, **supports current programs, and remains within the tax cap levy** requirements. The current recommendation is a **budget-to-budget increase of 2.07%**. Reductions in the budget include six teaching positions, one librarian, seven teaching assistants, two teacher aides, and one district office clerical position.
- **Purchase of School Buses:** The District's cost-effective, long-range plan is to replace aging transportation vehicles (6-8 buses per year for 10 10-year replacement schedule). The District plans to purchase six buses in 2025-26. **This purchase will have no new tax levy impact.** State aid reimbursements and previous bus purchase debt payoff fund this purchase.
- **Election of Two (2) Candidates to the Board of Education:** The terms of Mr. Ryan Anderson and Mr. Tom Provost will expire on June 30, 2025. **Members of the Board of Education are volunteers, and they receive no salary for their work.** *The Board of Education does not have the day-to-day responsibilities of running a school district; rather, **their role is oversight and setting policy.** The Superintendent of Schools is responsible for all aspects of running the district, and he/she reports to the Board.* **The following individuals are seeking election to the Board,** and their bios are linked [here](#).
