

DR. LORI WATSON PRESENTS

DEEPER DIVE (D2)

Following the Race-Work Elevation 2 Transformation (E2T), there is always the question, "Now what?" The Deeper Dive (D2) seminar bridges the gap from knowledge to know-how. The one-day D2 experience will create the space necessary for participants to acquire and sharpen the tools they need as they begin to move into more intentional antiracist practice.

Participants will engage in purposeful professional learning and collaboration focused on examining personal and professional practices through a lens of critical consciousness and begin to merge them through a lens of anti-racism.
