**Elementary Attendance Policy**

Regular school attendance is critical to the learning process. Students shall be in attendance at least 90% of each trimester.

**Make-up Work:**

A student will be given two (2) days, from the day they return to school, following any absence to complete and turn in all missed work. In the event of an unexpected prolonged absence, additional days may be given to complete and turn in all missed work. Assignments or tests that were announced prior to the student's absence are due on the day the student returns to school. Exceptions may be granted by teachers when there are extenuating circumstances.

**Types of Absences**

- **Excused Absence (EA)** is an absence from school with the knowledge and approval of the student's parent(s)/guardian(s)/custodian(s). Written, oral, or electronic communication from parents is expected by 9:30 a.m. on the day of the absence.
- **Unexcused Absence (UA)** is an absence from school that has not been verified via written, oral, or electronic communication from a parent(s)/guardian(s)/custodian(s). Absences left unverified over 48 hours may be considered truant.

**Absence reasons that ARE NOT counted toward the 90% rule:**

- **In-school Absence (IA)** is an absence that occurs within the school day where a student is pulled from class. Examples include extended visits to the office, nurse, or when a student is at a school-approved meeting (i.e. student body, college meetings, etc.).
- **Activity Absence (AA)** is an absence that occurs for attending school-sponsored programs and classes will be missed.
- **Suspended Absence (SA)** is an absence due to in-school or out-of-school suspension or an absence from class due to behavior.
- **Medical Absence (MA)** is an absence due to medical reasons that is confirmed with documentation by professional personnel. Documentation shall be provided within 7 school days of when the student returns to school. (Examples include medical doctors, dentists, psychologists, etc.). In the event a student is sent home by the school nurse, this code shall apply only for the day the student was sent home.

- **Bereavement (BR)** is an absence due to a death in the family.
- **Prearranged Absence (PA)** is an absence that occurs when a student knows in advance that they will be absent for two (2) or more days and fills out the proper form through the attendance office. This may include athletic/club activities, travel (not school related), vacations, college visit(s), or surgery.
- **School Excused (SC)** is an absence that occurs for college visitations, or extenuating circumstances that have been approved by the administration. Three (3) or more college visits need to be approved by the administration prior to the absence.
- **Court Appearance (CA)** is an absence that occurs for students having legal obligations, which includes a stay in juvenile detention.
- **Disability Related (DA)** is an absence based on a disability identified within an Individualized Education Plan, a 504 Plan, or a health accommodation plan requiring or necessitating an absence.
- **Self-Directed Learner (SD)** is an absence for a student who has been approved to be identified as a self-directed learner pursuant to Policy 2470.

**All other absences will count against the 90% rule.** Any student with less than 90% attendance in a trimester must meet with the administration to determine if a student is eligible for grade promotion.
