

## STUDENT EXPERIENCES

### IN SCHOOL EXPERTS

Students learn from community experts such as Birds of Prey, Engaging Creative Minds, and SC DHEC Environmental Education Programs.

### FIELD TRIPS

Students of all grade levels attend off-site field trips. This year locations have included Magnolia Gardens, Folly Beach, Caw Caw, South Carolina Aquarium, and so many more!

### ATHLETIC TEAMS

Oakland has the only elementary level archery team in CCSD as well as a very competitive tennis team.

## COMMUNICATION

All students use agendas for daily homework assignments and home/school communication. Teachers conduct required first and third nine weeks conferences with parents of each student in their homeroom. Home-school folders go home each Wednesday and The Orca Update, our school-wide newsletter goes home once a month. This newsletter details relevant information and upcoming events. We use Blackboard for important communication as well as our school website.

# OAKLAND ELEMENTARY SCHOOL

2024-2025  
REPORT TO PARENTS

### SIC MEMBERS:

LATASHA SINGLETON (CHAIR),  
ELIZABETH KACKLEY, SHANNON KRISAK,  
KIM WICKSTROM, KAREN HARKER,  
STEPHANIE JOHNSON, CHRIS ROLLINS,  
HEATHER CORBIN

We are proud to have scored  
“Excellent” on our 22/23 and 23/24  
SC School Report Card!

# DATA-DRIVEN

At Oakland Elementary School we make data-driven decisions that benefit students and work vigorously to ensure that all of our students receive a high quality education with a variety of interactive and engaging experiences to include off campus field experiences and expert guest speakers.

# TEAM APPROACH

A student concerns team (MTSS – Multi-Tiered System of Support Team) addresses individual student needs.

iReady and Fastbridge reports, and standardized test data are utilized to identify students that need assistance to reach their maximum potential.

Interventions are incorporated into student schedules and we monitor student progress to ensure that the interventions are yielding desired results.

# PBIS CELEBRATIONS

KONA ICE

GIANT SLIDES

GAME DAY

COSMIC BOWLING

# CELEBRATING SUCCESS

All students have opportunities to receive awards. They earn ribbons for iReady gains and recognition at nine weeks awards ceremonies (principal's list, honor roll, most improved, and good citizenship awards). A monthly Terrific Kids program recognizes a good citizen from each class. We are a PBIS (Positive Behavioral Interventions and Supports) school. Monthly celebrations encourage students to meet their PBIS behavior goals. We utilize these systems to create a structured, pleasant, and productive learning environment for all students.
