SUBJECT: SOLICITATION OF CHARITABLE DONATIONS FROM SCHOOL CHILDREN

Direct solicitation of charitable donations from District students on school property during regular school hours is prohibited. It is a violation of District policy to ask District students directly to contribute money or goods for the benefit of a charity during the hours in which they are compelled to be on school grounds.

However, this policy does not prevent the following types of fundraising activities:

- a) Fundraising activities which take place off school grounds, or outside of regular school hours during before-school or after-school extracurricular periods;
- b) Arms-length transactions, where the purchaser receives consideration for his or her donation. For example, the sale of goods or tickets for concerts or social events, where the proceeds go to charity;
- c) Indirect forms of charitable solicitation on school grounds that do not involve coercion, such as placing a bin or collection box in a hallway or other common area for the donation of food, clothing, other goods or money.

The Board of Education authorizes the Superintendent of Schools or designee to decide which organizations, groups, etc., can solicit charitable donations and for what purposes, as long as the activities comply with the terms of this policy and the Rules of the Board of Regents.

Regulations shall be developed by the administration to implement this policy.
