

# MAKE THE MOST OF SUMMER

*Get ahead on your child's health and skip the fall rush.*

## Does your child:

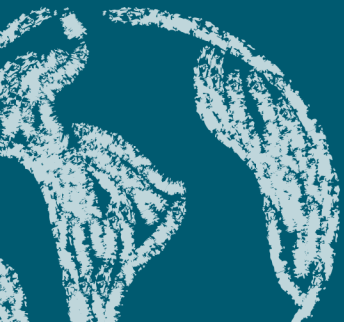

- ✓ Start childcare, kindergarten, or middle school this fall?
- ✓ Plan to attend summer camp?
- ✓ Need to catch up on routine vaccinations?

Summer is the perfect time to get up to date on vaccines — no lines, no stress, and one less thing to worry about when school starts.

Larimer County Health Department offers vaccines at low or no cost for children who are uninsured, underinsured, or enrolled in Medicaid.

Call **970-498-6700** to schedule an appointment today! Let's keep our kids healthy and ready for what's ahead.
