D. COMMUNICATION FROM THE PUBLIC (AGENDA ITEMS ONLY)

School boards are required to set aside a portion of every meeting for public comments. School boards use the public comment period as an opportunity to listen to community concerns - not to debate issues or enter into a question-and-answer session. School boards are not required to respond to questions but may choose to respond to public comments by seeking additional information or delegating authority to the superintendent or a designee to investigate an issue brought forth during public comment.

While public education can be an emotional issue, the school board strives to maintain a certain level of decorum at its meeting. As such, all persons speaking during the public comment period should maintain a tone of respect and civility. Courteous behavior is extremely important by all members and attendees.

To allow all speakers to address their comments to the board, it may be necessary for the board and/or administration to hold any responses until after the conclusion of the public comment period; rather than respond to individual speakers. The board cannot recognize proxies, nor will the board tolerate persons that call out, shout down or disrupt others in attendance during public comment; any person who cannot abide by this will be asked to leave.

The Stafford Township Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest, especially when it is intended to assist the Board of Education.

Please feel free to speak to the Board during the public session. Pursuant to Board Policy 0167, comments and discussion will be limited to one three (3) minute period per individual unless requested by the chairperson to continue on a point of clarification.

Public comment at special meetings of the Board shall be related to the call of the meeting. In accordance with the Board of Education Policy, each participant must be recognized by the presiding officer and must preface their comments by an announcement of their name, address and group affiliation, if applicable.

Your anticipated courtesy to the members of the public and the Board is appreciated.

For additional information, please review the "Guide to Board of Education Meetings in New Jersey" available on the New Jersey Boards Association website at www.njsba.org.

1. NOW, THEREFORE, BE IT RESOLVED that the Stafford Township Board of Education approve the renewal contract (year 2 of 5) for Food Service Management for the 2025-2026 school year, with an option for three (3) one (1) year extensions thereafter at the Board's discretion to Maschio's Food Services Inc located at 525 East Main Street, Chester, NJ 07930. It is the recommendation of the Business Administrator that the Stafford Township Board of Education approve the contract to Maschio's Food Services Inc (hereinafter referred to as the "FSMC"), subject to the following contractual provisions:

The FSMC shall receive, in addition to the costs of operation, a fee of \$0.22 per reimbursable meal and meal equivalent to compensate the Food Service Management Company for administrative and management costs. This fee shall be billed monthly as the cost of operation. The district guarantees the payment of such costs and fee to the FSMC. The 2025-2026 Total Cost of the Contract is projected to be \$804,515.53 as found on the Response and Projected Operating Statement (Form 23).

The number of National School Lunch Program, and if applicable, Breakfast Program, At-Risk Afterschool Meals Program and After School Snacks Programs, meals served to children shall be determined by actual count. A "Meal Equivalent" provided by the FSMC is determined by dividing the total of cash receipts, other than from sales of National School Lunch Program, and if applicable, Breakfast Program, At-Risk Afterschool Meals Program and After School Snacks Programs, meals, or Cash Equivalents, by the Equivalency Factor. The Equivalency Factor used to determine the number of Meal Equivalents served by the FSMC shall be the amount of \$4.70.

The per meal management fee of \$0.22 will be multiplied by total meals.

FSMC guarantees that the return to the District from the Food Service Program for the school year will be \$15,000. If the annual operating statement shows a return of less than \$15,000, Maschio's Food Services Inc will pay the difference between the actual and the guaranteed amount. Financial terms of the Contract are based upon the assumptions as stated in Section II A, Paragraph 8, and Section BBB (Guarantee Conditions and Assumptions) in the Contract. L. ADVANCED PLANNING**M. PUBLIC COMMENT**

School boards are required to set aside a portion of every meeting for public comments. School boards use the public comment period as an opportunity to listen to community concerns - not to debate issues or enter into a question-and-answer session. School boards are not required to respond to questions but may choose to respond to public comments by seeking additional information or delegating authority to the superintendent or a designee to investigate an issue brought forth during public comment.

While public education can be an emotional issue, the school board strives to maintain a certain level of decorum at its meeting. As such, all persons speaking during the public comment period should maintain a tone of respect and civility. Courteous behavior is extremely important by all members and attendees.

To allow all speakers to address their comments to the board, it may be necessary for the board and/or administration to hold any responses until after the conclusion of the public comment period; rather than respond to individual speakers. The board cannot recognize proxies, nor will the board tolerate persons that call out, shout down or disrupt others in attendance during public comment; any person who cannot abide by this will be asked to leave.

The Stafford Township Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest, especially when it is intended to assist the Board of Education.

Please feel free to speak to the Board during the public session. Pursuant to Board Policy 0167, comments and discussion will be limited to one three (3) minute period per individual unless requested by the chairperson to continue on a point of clarification.

Public comment at special meetings of the Board shall be related to the call of the meeting. In accordance with the Board of Education Policy, each participant must be recognized by the presiding officer and must preface their comments by an announcement of their name, address and group affiliation, if applicable.

Your anticipated courtesy to the members of the public and the Board is appreciated.
