# ELIGIBILITY & ENROLLMENT

## Who May Enroll

### SLCUSD Employees

- Regular, full-time employees working at least 50% are eligible to enroll in medical benefits.
- Regular, full-time employees working 90% **must** enroll in medical benefits.

### Dependents

- Your legally married spouse
- Your registered domestic partner (as defined by the state of California)
- Your children, stepchildren or children of your registered domestic partner to age 26, regardless of marital or student status
- Any children for whom you are required to provide coverage under a Qualified Medical Child Support Order
- Your unmarried children, step-children or children of your registered domestic partner of any age, if they are incapable of self-care due to a physical or mental disability

Your spouse/domestic partner and children can be enrolled in our Medical, Dental, and Vision plans.

### Required Information

At enrollment you are required to enter the Social Security Number for all covered dependents. Health Care Reform law requires the company to report this information to the IRS each year to show that you and your dependents have coverage. This information will be securely submitted to the IRS and will remain confidential.

## Required Enrollment Documentation

- To enroll your spouse, domestic-partner or dependents, you will need to provide completed enrollment forms and the following supporting documents, as applicable, within thirty (30) calendar days of your date of hire:
- 1040 Tax Form (most recent year), showing joint filing with spouse. Otherwise, an Affidavit of Marriage is required
- Marriage Certificate (only for new marriages within one year)
- Birth Certificate (for children)
- Declaration of Domestic Partnership issued by the State of California

## When You May Enroll

- As a new hire, you may participate in the company's benefits on the first day of the month following your date of hire. You must submit enrollment forms within **ten days of hire**.
- Each year, during open enrollment (mid-May to mid-June).
- Within 30 days of a qualifying event as defined by the IRS.

# ELIGIBILITY & ENROLLMENT

## Changes to Enrollment

### Open Enrollment

During our annual open enrollment period, you may make new benefit elections for the following October 1 effective date.

### Qualifying Event

Once you make your benefit elections, you cannot change them throughout the year unless you experience a qualifying event as defined by the IRS.

Examples include, but are not limited to:

- Marriage, divorce, legal separation, or annulment
- Birth, adoption, or death of a child or spouse
- Qualified Medical Child Support Order (QMCSO)
- Change in your dependent's eligibility status
- Loss of coverage from another health plan
- Change in your residence or workplace (if your benefit options change)
- Loss of coverage through Medicaid or Children's Health Insurance Program (CHIP)
- Eligibility for a federal or state premium assistance program under Medicare, Medicaid, or CHIP

Coverage for a new dependent is not automatic. If you experience a qualifying event, you have **30 days** to update your coverage. Please contact the Human Resources Department immediately following a qualifying event to complete the appropriate election forms as needed. If you do not update your coverage within **30 days** of the qualifying event, you must wait until the next annual open enrollment period to update your coverage.

## Opting Out of Health Insurance - WABE (Waiver of Anchor Bronze Enrollment)

Full Time Employees (defined as 90% or more of full time) are required to enroll in a health insurance plan. However, employees wishing to opt out of health benefits may do so by signing up for WABE (Waiver of Anchor Bronze Enrollment). With WABE, you will not qualify for dental, vision or life insurance, but you will have access to SISC "Healthy Extras" (see page 10 for details).

To qualify for WABE, you must have proof that you are covered under another health benefit plan. Employees who select this option are not enrolled in a medical/prescription plan. This option is used only to satisfy the participation requirement of a full time employee. The cost of WABE option is the same as the single rate for the Anchor Bronze plan.

# ELIGIBILITY & ENROLLMENT

## Paying For Your Coverage

- You and the district share in the cost of the benefits you elect. Any voluntary benefits such as Supplemental Life Insurance that you elect will be paid by you at the discounted group rates. You are automatically enrolled in the Premium Only Plan (POP) when you first enroll for health benefits. This means that your Medical, Dental, and Vision contributions are deducted before taxes are withheld which saves you tax dollars. Paying for benefits before tax means that your share of the costs are deducted before taxes are determined, resulting in more take-home pay for you. As a result, the IRS requires that your elections remain in effect for the entire year. You cannot drop or change coverage unless you experience a qualifying event. If you prefer the post-tax option, you must request the POP form to make this selection either at time of hire or during Open Enrollment.

## Who May Decline Coverage

- An eligible employee who works less than 90% of the full-time equivalent for the applicable job classification or receives less than 90% of the amount that is contributed towards an eight-hour full-time employee.
- Active employees who are enrolled in Medi-Cal must show proof of enrollment in Medi-Cal. Documentation must reflect the effective date of enrollment in Medi-Cal.
- Active employees who are enrolled in Medicare Parts A and B may decline when they are first eligible or at Open Enrollment. Evidence of Medicare enrollment is required.
- Active employees who are enrolled in TRICARE must show proof of enrollment. Documentation must reflect the effective date of enrollment in TRICARE. TRICARE rules should be reviewed before a declination is permitted.
- Active employees, who are eligible, enrolled in a Covered California medical plan and receiving a related subsidy must show proof of enrollment and subsidy.

## When Coverage Ends

- Coverage ends the last day of the month in which employment ends. If you wish to continue health care coverage as a retiree, new plans and rates will begin the first day of the month following retirement with no gap in coverage. Retiree plans and rates are different from current employee packages, so please refer to the Retiree Benefit Guide.

# MEDICAL BENEFITS

## Medical Plan Descriptions

SLCUSD offers six medical plans to choose from. All six of these plans are Anthem Blue Cross PPO plans.

### Anthem Blue Cross PPO Plans

The Anthem Blue Cross Preferred Provider Organization (PPO) plans allow you to direct your own care. You are not limited to the physicians within the network and you may self-refer to specialists. If you receive care from a physician who is a member of the PPO network, a greater percentage of the entire cost will be paid by the insurance plan. You may also obtain services using a non-network provider; however, you will be responsible for the difference between the covered amount and the actual charges and you may be responsible for filing claims.

### Pharmacy Benefits

Navitus Health Solutions is the Pharmacy Benefits Manager (PBM) for our Medical plans. You are urged to use generic drugs when they are available. If you or your physician requests a brand name drug when a generic equivalent is available, you will pay the generic copay plus the difference in cost between the brand name drug and the generic drug. In addition, the difference in cost between the brand name drug and generic drug will not count toward your annual out-of-pocket maximum.

### Costco Retail Pharmacy & Mail Order Program

Costco makes it easy for you to receive a 90 day supply of your long-term or maintenance medications. In addition, when you use the Costco pharmacy, your generic medications will be free of charge. Visit any Costco retail location or use the mail order feature and benefit by having your prescriptions delivered to your door, saving you a trip to the pharmacy. Here's how it works:

- Take your prescription to any Costco pharmacy. You do not need to be a Costco member.
- Present your insurance card to the pharmacist.
- Get your generic medications (excluding some narcotic plan medications and some cough medications) for free. You will pay \$35 for a 30 day supply of brand name drugs or \$90 for a 90 day supply of brand name drugs.

### What Makes the Health Plans Different from Each Other

All SLCUSD health plans cover the same medical services. What makes them different from each other is how much they cost.

- You either pay a **higher premium** that is taken out of your pay warrant and **pay less out-of-pocket** when you access covered health services, **OR**
- You pay a **lower premium** that is taken out of your pay warrant and **pay more out of pocket** when you access covered health services.

The health plan highlights on page 6 show out-of-pocket costs for covered health care services.

### Using Out-of-Network Providers Costs You More Out-of-Pocket

If you obtain services from an out-of-network provider, your coinsurance percentage is based on Reasonable and Customary (R&C) Fees as determined by Anthem Blue Cross.

Any out-of-network charges above the allowed coinsurance amounts are called **balance billing**. If you access care from out-of-network providers, balance billing charges are your responsibility and do not apply to the annual out-of-pocket maximum.

For more detailed information, please refer to the plan

# DENTAL BENEFITS

## MetLife Dental PPO

SLCUSD is pleased to offer best-in-class dental insurance through MetLife. With the MetLife Dental PPO plans, you continue to have the freedom to visit the dentist of your choice, in or out of network. Additionally, the plans were customized and designed to provide you and your dependents with access to the full dental benefit allowance whether your dentist is in or out of the MetLife network. However, your costs are typically less when you utilize a network provider because benefits for in-network covered services are based on a percentage of the Negotiated Fee—the fee that participating dentists have agreed to accept as payment in full (subject to the deductible, coinsurance and benefit maximum). If you utilize a non-network provider who does not participate in the MetLife network, your out of pocket costs may be greater because benefits paid are based on a percentage of the Reasonable and Customary (R&C) charge.

# VISION BENEFITS

## Vision Service Plan (VSP)

SLCUSD provides vision coverage through VSP.

- You can see a VSP Vision Care in-network provider or an out-of-network provider; however, your costs will be lower if you visit an in-network provider.
- If you visit an in-network provider you will be responsible for a copay at the time of your service.
- If you receive services from an out-of-network doctor, you will pay all costs at the time of service and submit a claim for reimbursement.
- For more details on the VSP plan, [click here](#).

## To Find Vision Network Providers

Go to [www.vsp.com](http://www.vsp.com) or call 800-877-1795.

## Additional Discounts Available

- LASIK and PRK Benefit: You are entitled to a 15% discount on the usual and customary fees for LASIK and PRK procedures, or a 5% discount on any promotional pricing, whichever is the greater benefit, through the US Laser Network.
- Continued Eyewear Savings: After your initial visits have been utilized, you are able to receive ongoing discounts on additional eye wear purchases at a network provider, which result in discounts up to 20% off the retail price of eye wear and accessories.

# TAX SAVINGS BENEFITS

## SISC: Navia Flexible Spending Accounts

### FSA Plan Year: January 1 - December 31

Flexible Spending Accounts (FSAs) are special tax-advantaged accounts used to pay for eligible out-of-pocket health care and dependent care expenses. If elected, your account(s) will be funded with tax-free dollars using convenient payroll deductions. Only expenses for services incurred during the plan year are eligible for reimbursement from your accounts.

If you are using an FSA debit card, you must save your receipts, in case Navia needs a copy for verification. Per IRS guidelines, all receipts must be itemized to reflect what product or service was purchased.

### Health Care FSA

This plan is used to pay for expenses not covered under your health plans, such as deductibles, coinsurance, copays and expenses that exceed plan limits. You may also use this plan to pay for over-the-counter medications, menstrual supplies, and personal protective equipment (PPE) used for the primary purpose of preventing the spread of COVID-19. Employees may defer up to **\$3,300** pre-tax for the 2025 plan year.

### Dependent Care FSA

This plan is used to pay for eligible expenses you incur for child care, or for the care of a disabled dependent, while you work. You may defer up to **\$5,000** pre-tax per year for 2025. Eligible expenses include:

- Licensed nursery schools, qualified childcare centers, after school programs, summer camps (under age 13), preschool
- Adult daycare facilities

### Important FSA Rules

Because FSAs can give you a significant tax advantage, they must be administered according to specific IRS rules:

- **Health Care FSA:** You must forfeit any money left in your account(s) after your expenses for the year have been reimbursed. The IRS does not allow the return of unused account balances at the end of the plan year, and remaining balances cannot be carried forward to a future plan year.
- **Dependent Care FSA:** Unused funds will NOT be returned to you or carried over to the following year. You must incur claims by December 31st of each plan year.

### Grace Period

Our FSA plans have a special 2.5 month grace period after the end of the plan year on December 31, 2025. This feature gives you an additional 2.5 months through March 15, 2026 to incur expenses against your Health Care and Dependent Care Expense Accounts. All expenses incurred during the grace period will automatically deduct out of the prior year's plan.

Carefully estimate out-of-pocket expenses for the calendar year. Be sure to only elect an amount that you know will be used during the plan year. Money left in the plan after the end of the 2.5 month grace period is subject to the Use-or-Loss rule and cannot be refunded to you.

### FSA Store

If you still have money available in your Health Care FSA, you can visit the FSA Store to purchase FSA-eligible items. The FSA Store is the only one-stop-shop stocked exclusively with FSA-eligible products and services so there are no guessing games as to what is and isn't reimbursable. Go to [www.fsastore.com](http://www.fsastore.com).

### Important Note About the FSA

You will have an opportunity to enroll in the FSA during open enrollment in the fall each year. It is important to note that your FSA elections will expire each year on December 31st. If you plan to participate in the FSA for the upcoming plan year, you are required to re-enroll.

# FINANCIAL PROTECTION BENEFITS

Life insurance is an important resource to help protect your loved ones in the event of your death. Things like funeral expenses, debt, and the cost of living, can all add up. Life insurance can help lessen the financial burden and provide coverage to help pay for these types of expenses.

## Basic Life Insurance

If you are enrolled in a SLCUSD medical plan (excluding the Anchor Bronze HSA), you automatically receive Basic Life insurance coverage. This coverage protects your family or other beneficiaries in the event of your death while you are actively employed with the company. You can check your life insurance coverage amount on the benefits tab in the [Helios](#) informational system.

Accidental Death and Dismemberment (AD&D) coverage provides an additional benefit to your beneficiary if your death is due to a covered accident or injury.

## Supplemental Life and AD&D Insurance

In addition to the district-provided Basic Life and AD&D coverage, employees are eligible to enroll in Supplemental Life Insurance at the time of hire. Supplemental Life Insurance premiums are paid by the employee. If you decide to enroll in Supplemental Life after your first 31 days of employment, contact [Traci Moreno](#) in Human Resources to provide you with enrollment forms. [Click here](#) for more information on Supplemental Life Insurance.

### Employee

You may purchase coverage for yourself in increments of \$10,000 up to a maximum benefit of \$500,000.

### Spouse or Domestic Partner

If you buy coverage for yourself, you may also purchase coverage for your eligible spouse or domestic partner. Benefits for your spouse or domestic partner are available in increments of \$5,000 up to a maximum benefit of \$250,000, not to exceed 50% of your employee election.

### Child(ren)

If you buy coverage for yourself, you may also purchase coverage for your eligible dependent child(ren). Benefits for your child(ren) are available in the amount of \$10,000.

### Guarantee Issue

Guarantee issue is a pre-approved amount of coverage that does not require you to provide proof of good health, and is available to you during your initial eligibility period (upon hire). Guarantee issue is available in the following amounts:

- Employee: \$250,000
- Spouse or Domestic Partner: \$50,000
- Child(ren): Entire benefit amount (\$10,000)

If you are no longer in your initial eligibility period, you may enroll in Voluntary Life insurance anytime during the year as long as you provide proof of good health. To provide proof of good health, you will be asked to complete a health questionnaire (Evidence of Insurability) and are subject to insurance carrier approval. Lincoln may approve or decline coverage based on a review of your health history.

# FINANCIAL PROTECTION BENEFITS

## Disability Insurance for Classified Employees in CSEA & SEIU

Classified employees who work ten (10) hours or more per week are automatically enrolled in American Fidelity Disability Insurance.

- **Short Term Disability** provides paid benefits for up to a year when you are unable to work due to illness or injury.
- **Long Term Disability** is a partial wage replacement insurance if you become totally or partially disabled and are unable to work. Benefits will not begin until you have been unable to work due to illness or injury for 365 days and are approved by American Fidelity.

## Catastrophic Leave Program

The [Catastrophic Leave Program](#) is **voluntary** and requires a monetary donation with a maximum of \$75.00 per employee to be enrolled within the program. Employees can also opt to not enroll but make a one time donation to the fund for their fellow employees. **This is an annual enrollment and only employees enrolled in the Catastrophic Leave Program can apply for catastrophic leave benefits in the school year they enrolled in.**

Catastrophic leave is a way to support those who are in very serious health situations, or who have children or spouses who are in dire medical situations, and have exhausted all applicable leaves. Catastrophic leave is NOT intended to provide pay because an employee has exhausted available leaves. When sick, personal necessity and vacation leaves are depleted, an employee may go on extended sick leave (for their own illness) which provides for partial pay as outlined in the Education Code and our collective bargaining agreements.

Open Enrollment for the Catastrophic Leave Program takes place in May and is offered to all regular employees who have been employed since September 1 of the prior year.

**Employees wishing to contribute will be required to donate the following every year:**

- \$25 for classified employees who work **less than 4 hours/day**.
- \$45 for classified employees working **4 - 7 hours/day**.
- \$75 for all classified employees working **more than 7 hours/day**
- All employees enrolling in the program will have an equal deduction taken out of 10 paychecks during the school year (September -June)
- Enrollment in the Catastrophic Leave program does not guarantee approval of requests for benefits. Each application is reviewed by the Catastrophic Leave Committee on its merits and must meet the criteria set forth in the agreement.

# IMPORTANT INFORMATION

## Annual Notices

ERISA and various other state and federal laws require that employers provide disclosure and annual notices to their plan participants. SLCUSD distributes annual notices to new-hires, and each year during open enrollment. You may also request a copy by contacting the Human Resources Department.

- Medicare Part D Notice of Creditable Coverage
- HIPAA Notice of Privacy Practices
- Women's Health and Cancer Rights Act (WHCRA)
- Newborns' and Mothers' Health Protection Act
- Special Enrollment Rights
- Medicaid & Children's Health Insurance Program
- Summary of Benefits and Coverage (SBC)

## The Affordable Care Act (ACA) and You

The Affordable Care Act (ACA)'s penalty for not having health coverage (known as the individual mandate) has been eliminated. However, if you are a taxpayer in California, Massachusetts, New Jersey, Rhode Island, Vermont, or the District of Columbia, you will be required to have health coverage (unless you qualify for an exemption) or pay the penalty for the 2025 tax year – these states have an individual mandate requirement.

You may consider these options below to satisfy this requirement:

- Enroll in a medical plan offered by SLCUSD or another group medical plan meeting the requirements for minimum essential coverage;
- Purchase coverage through a health insurance marketplace;
- Enroll in coverage through a government-sponsored program if eligible.

If you choose to purchase coverage through the marketplace, because SLCUSD's medical plans are considered affordable and meet minimum value under the Affordable Care Act, you may not be eligible for a subsidy, and you may not see lower premiums or out-of-pocket costs through the marketplace. In addition, employer contributions to your medical benefits will be lost, and your portion of medical premiums will no longer be paid via payroll deductions on a pre-tax basis.

## Summary of Benefits and Coverage (SBC)

Health insurance issuers and group health plans are required to provide you with an easy-to-understand summary about your health plan's benefits and coverage, referred to as a Summary of Benefits and Coverage (SBC). This guide is designed to help you understand the medical plan options offered to you by SLCUSD. Please refer to the SBCs and carrier contracts provided by our health plan carriers for additional plan details. The SBCs are available from Human Resources
