January 28, 2025

Dear TUSD Parents and Families:

I am sending you this information because there have been inquiries made to our District Office, School Sites, and among school districts across the state.

The Tracy Unified School District is committed to the safety and education of all students. ([Board Policy 0410: Nondiscrimination in District Programs and Activities](#)). We appreciate and value the diversity throughout our district and the unique perspectives and experiences that our students and families bring to our schools.

We understand that recent concerns about potential Immigration and Customs Enforcement (ICE) activities may be causing fear and uncertainty for some of our students, families, and staff. We care about your well-being and want to reassure you that our schools are open to all students and staff, regardless of immigration status, background, or personal circumstances. You are a valued part of our school community, and we are committed to providing a welcoming and supportive environment where all students can learn.

Please visit our [TUSD Information Page](#) which contains information and resources that may be helpful during this time. We will update it regularly so that we have the latest information available to you.

Our protocol with respect to any request made by the Immigration and Customs Enforcement (ICE) agency at any school site is described in our [Board Policy and Administrative Regulation 5145.13: Response to Immigration Enforcement](#).

We are committed to taking all necessary precautions to ensure that our schools remain supportive places for learning for everyone. If you have any questions or concerns, we encourage you to reach out to your school principal for further support. Thank you for being a valued part of our school community.

Sincerely,

Rob Pecot, Ed.D.
Superintendent
