## ***Transportation Guidelines for Start of 2020-2021 School Year:***

*As a response to COVID and in keeping with TEA guidelines/recommendations, Poth ISD encourages all families, with the ability to do so, to transport children to and from school.*

Bus transportation will be offered; however, the standard number of transported students compromises the ability to socially distance. **For this reason, students utilizing bus transportation will be required to utilize face coverings.**

- Students will be required to pre-register for bus transportation using their campus' online registration form in order to ensure transportation services.
- Bus seating will be assigned.
- All students will use hand sanitizer upon boarding the bus.
- All bus drivers will wear face covering.
- All students will be required to use non-medical grade facemasks, covering nose and mouth while riding the bus. **Students not wearing masks will not be allowed onto buses.**
- Each bus will be sanitized between routes.
- Transportation staff will be trained in proper sanitation procedures.
- All Poth ISD vehicles will be equipped with sanitation and cleaning supplies.
- Encourage families to transport their children to and from school

Sincerely,

Phillip Zwicke  
Director of Operations  
Poth ISD
