

HOLA Friends

SCIENCE • TECHNOLOGY • ENGINEERING • ART • MATH

A fun and educational summer camp for students
entering grades 3, 4, and 5.

This year's camp will feature three distinctives sessions:

Tinker like engineers

June 30, July 1, 2, & 3

Discover the world of electrical engineering. Create your own light up mask, musical instrument and more.

Coding Galore

July 7 – July 11

Code with Micro:bit, Dash Robots, Lego Education, Indi Sphero and Scratch. Go further with coding by integrating the Makey Makey.

Community Green Tinkers

July 14 – July 18

Explore the exciting world of animation and augmented reality! Use a green screen to seamlessly blend yourself into your own animated creations and bring them to life.
